## Amarillo Police Chief To Give Resignation

### Pep Rally Tonight

The Canyon Booster Club will sponsor a pep rally at 4 p.m. Thursday on the east side of the square.

The streets will be blocked for the occasion and the Canyon High band and cheerleaders will perform, according to booster club president Jim Curtis.

Curtis also said that Canyon Eagle balloons will be on sale. The balloons will have "Canyon Eagles" printed on them and will be filled with helium. They will be sold for 25 cents.

At the Tuesday night Booster Club meeting, Coach Phil Ehly, said that the Eagles had their finest offensive game of the year against Muleshoe last week.

"There is lots of rivalry between Canyon and Tulia and anything can happen," Ehly said speaking of the Eagles Friday night ballgame.

### District 1-AAA Title Is Eagle Goal Friday

Almost three months of toil and sweat, of carving out a 6-2-1 season standard will hang in the balance Friday night as the Canyon Eagles will try to clinch their first District 1-AAA crown when they meet the Tulia Hornets—in Tulia.

The Hornets' first four opponents failed to score a point on their defense, but in their last four games, all of which have been against district foes, the Hornets have yet to win a ball game or even score a point.

But Head Eagle Coach Ron Mills warns, "It will be a tough game because of the circumstances." "Defensively," said Mills, "They are just about as good as anybody in district. Offensively they haven't been as strong, but they could be. They have the potential."

Mills said that the Hornets offense will run "everything." They are expected to use the power I, the unbalanced and the spread formations. Their spread formation will utilize three wide receivers. "But our defense shouldn't have any trouble adjusting to it," Mills added.

The Tulia defense will align in a split-six formation. "They are small, but quick defensively and they have just enough big people on the line to anchor things down," Mills commented.

The Eagles are a full game ahead of second place Perryton, while the Hornets are in (See DISTRICT, page 11)

Mrs. Audrey Bruse, Randall County Tax Assessor and Collector, is shown as she swears in Mel Gierhart, West Texas State University Student Association vice president, as a voter registration deputy. Student voter registration deputies are being sworn in to facilitate the registering of West Texas State students.

ter registration deputy. Student voter registration deputies are being sworn in to facilitate the registering of West Texas State students.

### Students Deputized

Voter registration in the 18 to 21 year-old age group is heavy both on the West Texas State University campus and from Randall County students away at other universities, according to Mrs. Audrey Bruse, county tax assessor-collector.

A voter registration drive to register the students is currently underway on the campus of West Texas State.

Mrs. Bruse said that as of Wednesday, three people have been deputized as volunteer voter registration deputies.

Mel Gierhart, president of the West Texas State University student senate and director of the drive, said, "Our basic aim is simply to register the students whenever they wish."

"If they want to register in Randall County we have the deputies to register them. If they want to register in their home counties, we have the forms so they may do that also," Gierhart said.

Mrs. Bruse said that any

### Christmas \$\$ Drawing Announced

Twenty downtown merchants are sponsoring a Christmas money drawing the four Thursdays in December.

First, second and third place winners will be drawn at 5 p.m. each Thursday, Dec. 2, 9, 16, and 23, and persons must be in one of the participating stores at the time of the drawing to win.

Customers can register in one of the following stores: Western Auto Store, White Auto Store, McDonald Shop, Ticky-Tacky Shop, Furniture Galleries, Dan's Fifth Avenue, Williams Et Cetra, Warren's, Haley Printing and Office Supply, Byrd Pharmacy, Shell Pharmacy, Cheatham's, Thompson's, and C & M Cafe.

First prize will be \$50, second prize, \$25, and third prize, \$10. Persons can begin registering today, and register as many times as he wishes until 4:30 p.m. Thursday, Dec. 23.

Winners will be announced on KCAN radio each Thursday at 5 p.m. and if a winner is in one of the participating stores when his name is announced he will receive the prize money.

A total of nine names will be drawn each week to determine winners. If a winner is not found, the money will add (See MERCHANTS, page 11)

### May Be Effective In Early December

BY TROY MARTIN

Wiley Alexander is stepping down as Amarillo police chief.

The Chief disclosed his plans to the Metro Squad Board of Governors Tuesday.

Alexander whose influence in law enforcement has extended over the metropolitan area including most of Randall County is expected to announce his resignation within the next few days—possibly this week.

Some one third of the city over which his department has jurisdiction lies in Randall County.

Alexander is reported to have told fellow officers that difficulty with the union as well as personal reasons were the cause for his decision to resign the post he has held for about 15 years.

The chief is expected to be associated in the establishment of a private detective agency in Amarillo which will also offer a polygraph service.

Rumors had been rife for more than a month that the colorful Amarillo police chief would not remain with the department much longer. Some sources said he would be employed as an advisor to civilian police in Vietnam. Another source said he would be a candidate for Potter County sheriff next year.

Alexander is reported to have told a group of officers Tuesday he would resign to become effective early next month and would be associated in the establishment of a detective agency.

Alexander came up through the ranks of the

Amarillo Police Department having begun his career under Chief A.S. "Sid" Harper.

When Harper left the department and was succeeded by Rusty Rhodes, Alexander became assistant chief. He (See CHIEF, page 11)

### Farmers Union Names Officers

Alfred Buecker has been named the new president of the local Texas Farmers Union.

Other officers are Carl Hartman, vice-president; Dean Schaeffer, treasurer; and Mrs. Kay Madewell, secretary.

New members of the board of directors are Alvin Friemel, Melvin Armstrong, Eugene Podzemny, Leroy Lamb, A. R. Friemel, Clarence Beckman, and Carl Bryan.

### No Classes Tomorrow

Canyon school students will be dismissed from classes Friday so teachers can attend a district Texas State Teachers Association meeting in Amarillo.

Students from all four Canyon system schools will not attend classes tomorrow.

Pep rally, generally held on Fridays, will be held as the Eagles prepare to face the Tulia Hornets.

Assistant Principal Jack York said TSTA general session will begin at 9 a.m. Friday at the Amarillo Civic Center followed by departmental group meetings.

Luncheons for several groups will be held in Amarillo, and exhibits will be on display throughout the day.

### Oscar Hinger Returns Home

Oscar Hinger, Rex Reeves Elementary School principal, was dismissed from High Plains Baptist Hospital Wednesday afternoon.

Hinger, who was hospitalized early this month suffering from a heart condition, has reportedly been improving.

March of Dimes Chairman for the Golden Spread Chapter, Lt. Col. James Hanks, joined Carmen Dones, 1972 March of Dimes Poster Girl, at the regional orientation meeting Dallas, January is March of Dimes month and the Golden Spread Chapter which covers a 10 county area, is headquartered in Canyon.

### Prices And Wages Remain Stable Here

The end of the price and wage freeze has apparently had little effect on either prices or wages in Canyon to date.

A survey of Canyon merchants showed that no price increases have gone in effect but some increases are expected when the manufacturers supplying Canyon businesses raise prices.

Virgil Henson, financial vice-president at West Texas State University said that a decision from the pay board on pay raises for higher education and public school teachers is expected today.

Classified state personnel were removed from the price and wage freeze by the pay board Tuesday but this ruling had nothing to do with education, Henson said.

Bernard Warren of Warren's Department Store said that his business never

changes prices unless forced to by the wholesalers.

"We expect some increase in prices and whenever possible we will assume those prices and keep them in line because we have to try to meet the prices customers can afford to pay," he said.

"We are not expecting any drastic changes but I don't think the price freeze slowed prices up much," he said.

Francis Shell of Shell's Pharmacy said prices depend on what the wholesalers do. Shell said in some cases like his cosmetic lines, the wholesalers dictate what prices will be and he must comply or lose the line "but until they do we won't."

J. D. Byrd of Byrd's Pharmacy said he has had no change in prices yet and he doesn't expect any. "They are high enough as it is," he (See PRICES, page 11)

### Eagles Represent State Texas' Official Band

Texas Official Band — that's the billing name the Canyon Eagle Band will fly under for the international music festival in Vienna, Austria next summer.

Dr. Warren Freeman, chairman of the Westbrook Foundation, told band students and parents this week Canyon band will be the official band from the Lone Star State — and from the southwest.

Canyon's 70-piece band under the direction of J.W. King is doing its level best to appear at the festival scheduled July 11-18 in Austria.

And the going gets tough for the youngsters and their dedicated parents, who have

weeded yards, babysat, hauled trash, cleaned cars and homes, baked cakes, sold merchandise, and still are finding money in short supply.

But Freeman, sporting his Bostonian accent, gave the workers a boost Tuesday and Wednesday, saying "I can smell a good school, and Canyon's a good school."

Freeman praised the youngsters and school administrators pointing out, "I don't worry about America when I see kids, a band director, and school principal like these."

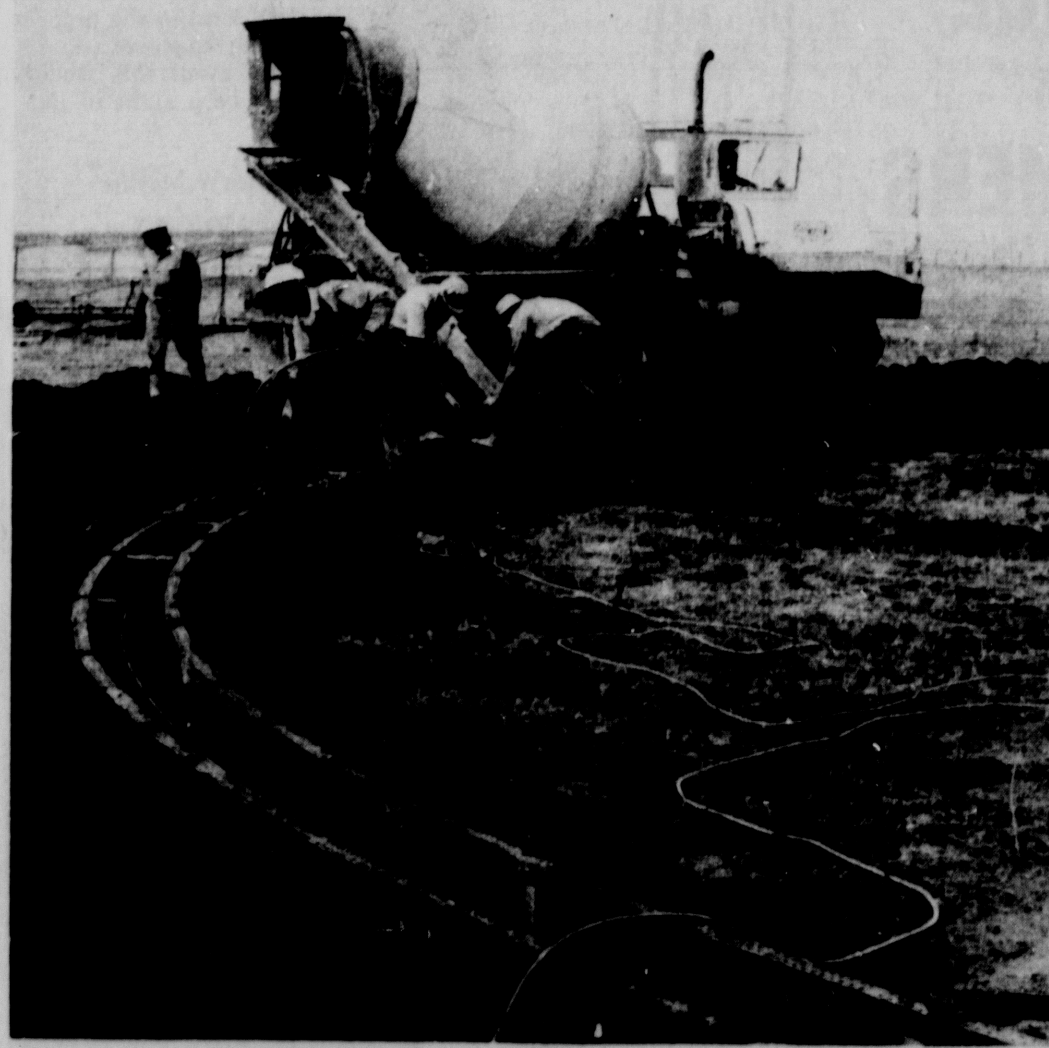

Freeman stressed Canyon will be the only band attending the festival from Texas,

and the only one in the New Mexico-Oklahoma-Kansas area.

The executive director of the festival said Canyon band should bill itself as the official Texas representative to the music gala, and then find a big project to get everyone in town involved.

He suggested a money raising project that would bring in \$5,000 to \$10,000, "and make everyone feel they have done their part in sending the band."

Freeman spent an hour with the executive committee of the Band Parents Association Tuesday afternoon (See BAND, page 11)

Concrete was poured Tuesday for the new million gallon water storage tank under construction in the city well field west of Canyon. The \$79,000 tank should be completed in May and will be in service for next summer.

Dr. Warren Freeman, chairman of the Westbrook Foundation, talked casually with members of the Band Parents executive committee Tuesday afternoon, and with Band Parents Tuesday night. Wednesday morning he addressed the band students, explaining details of the proposed Vienna, Austria trip scheduled next summer. Shown with Freeman, is Mrs. Ada Crager, president of the Band Parent's Association.

### Max Rafferty Talks Tonight On Campus

Max Rafferty, former state superintendent of public instruction in California and the 1968 Republican candidate for U. S. Senator, will hold a press conference at 9 a.m. today at West Texas State University.

The conference will be held in room 101 of the University Complex South. Following the news conference, Rafferty will lecture to a class at WTSU.

Rafferty is scheduled to

speak at 8 p.m. today in the Activities Center Ballroom. Tickets priced at \$2 for adults and \$1 for non-WTSU students are on sale at the Activities Center box office. WTSU students will be admitted free with the presentation of an ID card.

Rafferty's appearance at WTSU is sponsored by the WTSU Student Activities Center.

Rafferty, who has said that progressive education "has produced people who can riot but cannot read, understand pot but not Plato," served as state superintendent of public instruction in California from 1963 to 1971.

He authored a best-selling book on education, "Suffer (See RAFFERTY, page 11)

### Water Tank Construction Underway

Work began this week on a city water storage tank which will hold one million gallons of water and will cost \$79,000.

Construction contracts were let in April, and completion date is set for May 1, 1972, according to city manager George Loudder.

The tank will stand 32 feet high and 66 feet in diameter and will be located in the well field northwest of the city.

Tank price includes base (See WATER, page 11)

**COVERING FUMBLE**

It saps our energy to attempt a conversation with a man or woman with whom any casual small talk starts an argument.

by Troy Martin  
FROM THE  
CANYON RIM

Puckish Sam Allred, bearded columnist for The West Texas State University Prairie, is in trouble again but this is not new to Allred.

There is nothing sacred to Sam when he sits down behind his typewriter to tap out his twice weekly column, The Razor's Edge.

He has attacked almost everything on the campus and was threatened with damage to his torso when he allowed in print during homecoming week that the WT victory bell had more brains than the people who were ringing it. Sam took exception to the around the clock chiming.

It was only intervention by Weldon Trice that calmed Allred's nerves and assured him of his personal safety.

Last week a couple of offensive paragraphs were clipped from The Razor's Edge — just before printer's ink was applied — at the request of none other than WTSU President James P. Cornette, according to Sam.

Allred says he allowed in his column that it was unfair of the university to have the president living on the campus all these years noting that if he had been paying on a house he would have had it in the clear by now.

The college pundit — who incidentally is a pre-law student — also observed that if the president had taken the money he saved over the period on housing and invested it prudently he could have owned Canyon by this time.

"I don't think there's much anyone can do to me now," said Allred with droll humor. "I graduate in 18 days." This could be true if one of his literary forays doesn't get him flunked on something.

Allred is supposed to go on television Friday to discuss his tribulations as a university columnist — that is if he lives 'til Friday.

Ordinarily The Canyon News does not attempt to cover business of the city of Amarillo. Normally we confine our coverage largely to Randall County.

However, we felt that since a third of the city of Amarillo lies in our county an impending change in Amarillo police chiefs is of keen local interest.

Red China has been the severest critic of US involvement in Vietnam yet in one of its first votes it joined more than 100 other middle-some nations in the UN to try to tell this country with

whom it can engage in trade. The UN voted to censure the United States for purchasing chrome from Rhodesia because they do not like the way Ian Smith administers his country's internal affairs.

Also chrome is a strategic material and I'm sure the communist bloc would like to see us without it.

Teddy Kennedy, who has also criticized this country for its involvement in Vietnam, has stuck his senatorial nose into the affairs of Great Britain by suggesting that British troops withdraw from Northern Ireland.

There was considerable interest in the latest meeting of Randall County Water Association held Tuesday night. It was attended by 28 farmers and businessmen.

The group voted to become a unit of Water Inc., an organization devoted to importation of water to this area from the Mississippi.

The project is going to take 20 years and won't be of much benefit to the people working on it now but it will save this great agricultural area for our children.

So it is none too soon to pay up your membership and become a part of this historic undertaking.

## Church Picks Architects

The session of First Presbyterian Church has chosen the architectural firm of Hucker and Parge to draw the plans for their proposed building program.

The architects are to present a plan to the church by Mar. 1, according to Jim Irwin, chairman of the Executive Building Committee.

The firm designed 12 of the buildings on the WTSU campus, including the University Complex South and the Activities Center, cooperated in planning Amarillo's City Hall, and were the architects for several buildings at the Amarillo Medical Center.

Churches designed by the firm include St. Paul Lutheran Church in Canyon and the new Temple B'nai Israel in Amarillo.

## Letters To The Editor

Dear Editor,

I think it is time someone gave our local "Animal Warden" a pat on the back. He is hired to do a job and does so to the best of his ability. He is called out to pick up dogs and would really be criticized if he did not pick them up. If he uses a tranquilizer, he uses what is provided — not what he picks out.

He is a fine young man with a lovely young family so please — get off his back.  
Mrs. Clyde Miller

11-14-71

Dear Editor:

I am not running for election to any county office nor am I interested in Rep. Ben Bynum's Palo Duro County. I do think a number of things could be changed.

The three south Amarillo commissioners have taken our precinct road crews away from us, hired twice the help and probably spending three times as much money as was spent before Clarence Beckman was put on the shelf and Glenn Dowlen's hands tied by the one-unit road system. Give us back our road crews and let the south Amarillo commissioners support their own projects! Precinct #3's county roads are falling apart.

We already have a by-pass highway #1541 down Washington Street to Happy for folks who care to use it. They have yet to come up with a by-pass route that would give an alternate inlet-outlet for college traffic like a railroad crossing on N. 24th Street and two blocks of pavement northwest of said crossing to join service road and traffic circle southwest of Taylor's Discount Lumber. This would not only be an outlet to Amarillo and Frank Kimbrough Memorial Stadium on the service road, but to Tulsa and Hereford by way of traffic circle.

The intersection of 15th Street and U. S. 60 is on a hill. Cut U. S. 60 down to the level it is one block east or west of 15th St. traffic at its present level. (B. C. Taylor and the Cowboy Cafe maybe wouldn't be in favor of such a project, but there are service roads or room for same

on both sides of U. S. 60.) I sure wish the boys with time on their hands would leave our time at one time—either one or half way inbetween. My built-in alarm clock just doesn't want to make the changes.

Here's for better conditions in RANDALL COUNTY.

Reeves Donnell

Editor

Canyon News

Dear Sir:

"Eastside, Westside, all around the town."

The Hiway bypass proposals remind me of the graffiti the hell-bent generation of my day painted on Model T and Model A cars.

One that comes to mind was "Four wheels, No Brakes, In God We Trust"

Another had a pair of arrows across the back pointing right and left. The legend was—to the left "PASSING SIDE, to the right "SUICIDE".

So if Canyon wants to commit suicide, let the by pass go east.

I am a little surprised at the college attitude. The town was here first. The town asked for the school and has always supported it.

Maybe the school thinks it's outgrown Canyon now. But I notice they never are backward about asking for support for various projects.

I like the idea of a south-bound west side and a north bound east side as a compromise measure.

I see no reason since each will be one-way for any elaborate million dollar interchanges at 4th Avenue.

Now if it just "has to be" for a lot of money and a lot of inconvenience, I have a new proposal which no one seems to have thought of.

For want of a better name I shall call it "operation Pole Vault," and it's really quite simple.

Let's take off from the top of the hill south of town and overpass the whole works to the top of the hill north.

Then we can have a spiral 4 way double back action cloverleaf at 4th Avenue.

This should mystify, confuse and inconvenience just about everybody in the community.

It ought to cost at least 40 million and take 8 years to build. And just look at all the fun the burro-crats could have with that! Then with appropriations and supplemental appropriations and supplements to the supplement. My wouldn't the late Harry Hopkins chuckle over such a project!

"There really is no end to this."

"We will tax and tax and spend and spend."

Or does your memory go back that far?

My alternative plan will do away with the 4th Avenue interchange. This one I call "Operation Sling Shot".

Construct launching ramps on top of the two hills and propel the vehicles through the air with the greatest of ease, similar to the Navy operation to launch planes from carriers with short flight decks.

The only flaw here is that I haven't figured out how to stabilize the cars, trucks and busses in flight to be sure they will land in the proper lane on the other side.

In any event this would certainly be a sight to Bee Hole!

Cordially

Dr. Charles W. Martin

## Thanksgiving

### Day Is Holiday

Canyon Chamber of Commerce has requested businesses close for Thanksgiving Day, Nov. 25.

Chamber has also suggested businesses be closed for Christmas Day, Dec. 25, and New Years Day, Jan. 1, 1972.

## District Pays Bill

South Randall County Hospital District board paid bills totalling around \$2,000 at the regular meeting Monday night.

Hospital administrator Ray Grimes reported the district made a loan of \$5,000 in order to pay bills that have accumulated since the district was formed.

Bills included attorneys fees, travel expenses, reimbursements to Neblett Hospital, bonding fee, secretarial fees, and the administrator's salary since September.

## Our World

BY ANN BROWN

We live in the age of computers. A computer is a machine that produces whatever it is programmed for. Several eminent scientists concede the human brain is the ultimate in computers.

Since the first atomic bomb exploded, man has been programmed for fear and socialism.

Unless the haves divided with the have nots, warned the experts, there would be more war.

So the fruits of American labor started flowing out to

the ends of the earth. How many friends have we gained? Has the some 30% of our national wealth that we have sacrificed kept us out of war.

According to Dr. John A. Schindler in his book HOW to LIVE 365 DAYS a YEAR, fear stimulates the glands to overproduce hormones. The muscle tense for action, the blood clots, and the blood vessels contract. This may be helpful in a physical crisis. But when the emergency action continues over a long period of time, it can do irreparable harm.

Jesus said the time would come when men's hearts would fail them for fear (Luke 21:25-26). What is the number one cause of death in America?

What except fear could send the President of the United States crawling to the red butchers of China?

The leaders responsible for the murder of 6 million Jews in Germany were tried and condemned as criminals.

Officials estimate from 30 to 60 million Chinese have been murdered by Mao and his followers. Yet we welcome these murderers to our shores as honored guests. Are Chinese of less value than Jews?

Flag makers report difficulty in supplying the demand for Red Chinese flags in the U.S.

Do Americans wave the Red Chinese flag because they approve of wholesale murder? To applaud the humiliation and betrayal of Free China? Or do they think a Red flag might save their lives in event of a communist coup here?

Shakespeare said it well: "Cowards die many times... the valiant taste death but once." How much of our conduct, from the personal to the national level, is dictated by fear?

Several years ago the Com-

munist Daily World complained that Americans would not accept "revolution," but noted that they love "change." So "let's give them change! change! change!"

The writer went on to say that the churches and the preachers were the most influential forces on grass roots America, and must be utilized to bring about the "desired changes."

Who proposed the "God is dead" theory?

Who glorified civil disobedience?

Who usually leads the demonstrators who riot in our streets?

Evolution, according to the dictionary, is a slow and orderly change. Revolution is a swift and disorderly change.

Has America made drastic changes in the structure of religious services? What about the content of religious literature? Has socialism replaced the emphasis on doctrine and spirituality?

Many of the major religious denominations opposed the amendment to permit voluntary prayer in public schools. Yet it is difficult to find members of those communions who agree with the position the leadership has taken.

Bureaucracy is not confined to civil government.

Every life change disturbs one's emotional homeostasis. Even the most stable person is damaged by constant upheaval. If the variation is beneficial, one should learn to adjust. But what value is there in change just for the sake of change?

We decry brainwashing behind the Iron and Bamboo Curtains, and we're alarmed about rock music and x-rated movies. Would it not be wise to check on the subversive programming of our youth through public school textbooks, religious literature, and the social gospel?

## How to face up to winter

If your winter face is going to look as dewy fresh and healthy as the one left, you have to give it all the help you can. Cold and wind and—believe it or not—central heating all play havoc with skin. So whether you spend most of your time outdoors exposed to the elements or indoors in overheated buildings, here are some helpful ideas to keep your winter face in the best possible shape.

The case inside your jacket so it's handy. Lotion 2000 (not sketched) is another good weekend take along. It's a rich soothing moisturizer for face and body. All of these products by Bonne Bell.

### Indoor faces

Sketched right are some new ideas that help fight the drying effects of winter, especially in overheated buildings. They're all made with the purest natural ingredients like honey and skim milk and come in handsome tissue-wrapped containers. Dry to normal skins might

start the routine with Skim Milk Lotion Cleanser, a rich, creamy, non-detergent cleanser that whisks off makeup and dirt, leaving your face moist and fresh. Follow up with Skim Milk Lotion Toner, a face rinse that helps tighten pores and leaves skin with a soft smooth finish. End up with Skim Milk Under-Makeup Moisturizer, a really effective dry skin fighter. There's another complete group of preparations for oily skins too. All 'Ultima' Skim Milk Natural Skin-care products are 100 percent fat-free. By Charles Revson.

### Plus

Directly below: A pretty idea, "Berries 'N Cream" lipstick by Bonne Bell. Bottom: Emollient Lip Conditioner adds a sunscreen to a sleek, pretty gloss. 'Ultima' II by Charles Revson.

### Outdoor faces

Skins exposed to frequent cold blasts need a beauty routine that helps put back the moisture winter drains off, plus all the sun and wind protection possible. When you're off for a ski or any other cold-weather weekend, you might want to pack some of the face-savers sketched above. Ten-O-Six Lotion gets skin beautifully clean and leaves it with a moist protective film. The new pre-soaked towlettes are easy to pack. Weather-proofer slips into your parka pocket to protect against sun, wind and cold. The lipgloss, Purr 'N Parks, has a sunscreen. Purr 'N Parks, has a sunscreen. Purr 'N Parks, has a sunscreen.

### Dos & don'ts

- DON'T underestimate the power of the winter sun to dry and burn your skin. Keep it protected with a sunscreen or block just as you do in the summer.
- DO remember that your face isn't the only part of you that's affected by winter. Use a good body moisturizer as faithfully as you do a facial one.
- DO rethink your skin routine for winter. Toners and astringents that might be perfect for warm weather could be too drying now.

Teachers  
Attend Meet

Four art instructors from Canyon High School and West Texas State University will attend the Texas Art Educators Association meeting in Lubbock Friday through Sunday.

Mrs. Charlotte Brantley and Mrs. LaNell Hagemeyer of the high school staff, and Mrs. Jerri Warren and Mrs. Margaret Campbell of West Texas State will be at Tech for the three-day meet.

Mrs. Brantley will give a demonstration at the convention on designing sets for stage production in high schools.

"Canyon is unusual because the music, drama and art departments work together, and they do a fine job," Mrs. Brantley.

Mrs. Brantley is costume and set designer for the annual musical at the high school "Lil Abner" which is scheduled in February.

## Art Fair Set For Dec. 3

The second annual Art Fair, featuring art by West Texas State University students, faculty and exes, will be held Dec. 3, 4, and 5 in the WTSU Activity Center ballroom.

Sponsored by Kappa Pi, art fraternity, the fair will be held from 7 to 9:30 p.m. on Dec. 3 from 1 to 9:30 p.m. on Dec. 4 and from 1 to 5 p.m. on Dec. 5.

Any form of art work including oil, water color and acrylic paintings, sculpture, jewelry, pottery, and copper enameling will be included in the fair.

Any student, faculty member or ex-student of WTSU may buy a booth for \$2.50 and show their art work, according to Elaine Maples,

treasurer and advertising chairman of Kappa Pi.

Kappa Pi receives 15 per cent of the sale of any art work and the money goes to the scholarship fund and to pay the expenses of the fair, Miss Maples said.

Copper enamel match boxes made by members of Kappa Pi will also be on sale at the fair and 75 per cent of the proceeds from the match boxes will go to the Lubbock State School for Christmas presents for the Children.

Also when purchasing a match box, the purchaser also receives a chance to win an acrylic painting by Margaret Campbell, art instructor at WTSU, according to Miss Maples.

## Stompers Meet UTEP In Last Tilt

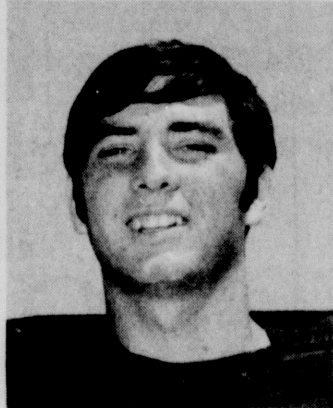

West Texas State University's freshman football team closes its season at 8 p.m. Friday in Odessa against the University of Texas at El Paso freshmen.

The "Baby Buffaloes" of coach Ronnie Mankin have won two of their three outings this season, stopping Wichita State's freshmen, 23-7, and New Mexico Military Institute, 34-17. The loss was a 41-7 decision administered by the University of Tulsa freshmen.

University of Texas at El Paso will bring a 1-2 mark into the game. UTEP downed New Mexico State's freshmen, 21-6, but fell in games to the freshmen of Arizona, 35-0, and New Mexico's freshmen, 21-7.

Leading the ground game for the young Buffs' wishbone attack is former Rule all-stater Jimmy Lisle, who has 371 yards in 45 carries. Halfback Johnny Jackson of Kress has 134 yards rushing and has totaled four touchdowns.

Starting fullback Ronnie Fangman of Vega has 99 net yards on 34 carries and Juan Garza, younger brother of Buffalo varsity kicking ace Matias, has 153 rushing yards. Garza, however, is a starting defensive back.

Mike Wartes-Quarterback

Mike Wartes has operated at quarterback most of the time for the Buff freshmen. The son of former Hereford head football coach Larry Wartes has completed 12 of 33 passes for 351 yards and one touchdown. He has been intercepted once.

Kenneth Sellers, the speedster from Crowell, has five receptions at split end for 225 yards and one touchdown. The 6-0, 160-pounder ripped off a 47-7 quarter mile last spring as a schoolboy. Tight end Marced Solis of Mission has six catches for 99 yards.

Leading UTEP in rushing is 183-pound halfback Kim Shelton of El Paso. He has

Here is a great idea: Turn idle items into cash with a low cost want ad. Call 655-2141.

Classified ads in The Canyon News get fast results.

167 net yards and one touchdown on 47 carries. Converted quarterback Gary Bolen has 44 net yards.

Mike O'Dell has hit eight of 22 passes for 98 yards. White has three of 15 completions for 30 yards.

Mankin will probably start Sellers at split end and the 6-2, 202-pound Solis at tight end. Lubbock Monterey's Jim Hart (6-3, 213) and Ben Bentley (6-3, 205) of Panhandle will start at the offensive tackles. Jim Jeffers (6-2, 202), a former all-stater from Hess, N.M., and Canyon's Rick Hales (6-3, 191) will start at guards. Former Odessa Permian all-district player Don White (6-2, 180) will be at center.

Wartes, 5-10 and 165, will start at quarterback. Lisle (6-1, 187) and Jackson (5-11, 190) are the halfbacks and Fangman (6-3, 190) will be at fullback.

Starting on the front four defensive are Vega's Kenny Donethan (6-1, 190), Ran-

kin's Bill Routh (5-11, 190), Odessa Permian's Don Focoas (6-0, 215) and Killeen's Henry Hamilton (6-3, 180). The linebackers will probably be Gary Weaver (6-0, 170), Bruce Davis (6-0, 209) and David Herber (5-11, 190).

Weaver and Davis are former Odessa Permian players and Herber performed in high school at Amarillo Tascosa. Both Davis and Herber earned first team all-state honors last fall. They are the first class AAAA Texas all-state players to be signed by West Texas.

At the corner backs will be Garza (5-11, 172) and Berger's Scotty Hindman (5-11, 180). The safeties will be Arcadio Rivera (6-0, 168) of Marfa and Sundown's Robert Edwards (6-0, 164). Edwards was an all-state quarterback last fall in Class B.

Garza, who has a 52-yard field goal to his credit this fall, will handle the placement kicking and Donathan will be the punter.

Pritchett Nears  
Rushing Mark

Sophomore flash, Billy Pritchett could top the magical 1,000 yard rushing mark Saturday when the West Texas State Buffaloes meet the Drake Bulldogs.

Pritchett has rushed for 938 in 200 attempts. He led the Missouri Valley Conference in the early weeks of the season, but now stands a distant second to Howard Stevens of the University of Louisville who has scampered for 1231 yards.

Pritchett is fifth in total individual offense in the MVC rushing statistics.

He has been averaging 104.2 yards per game and sports a 4.7 yards per carry average and has scored six touchdowns for the Buffs this year.

Here is a great idea: Turn idle items into cash with a low cost want ad. Call 655-2141.

Puckish Sam Allred, bearded columnist for The West Texas State University Prairie, is in trouble again but this is not new to Allred. There is nothing sacred to Sam when he sits down behind his typewriter to tap out his twice weekly column, The Razor's Edge.

He has attacked almost everything on the campus and was threatened with damage to his torso when he allowed in print during homecoming week that the WT victory bell had more brains than the people who were ringing it. Sam took exception to the around the clock chiming.

It was only intervention by Weldon Trice that calmed Allred's nerves and assured him of his personal safety.

Last week a couple of offensive paragraphs were clipped from The Razor's Edge — just before printer's ink was applied — at the request of none other than WTSU President James P. Cornette, according to Sam.

Allred says he allowed in his column that it was unfair of the university to have the president living on the campus all these years noting that if he had been paying on a house he would have had it in the clear by now.

The college pundit — who incidentally is a pre-law student — also observed that if the president had taken the money he saved over the period on housing and invested it prudently he could have owned Canyon by this time.

"I don't think there's much anyone can do to me now," said Allred with droll humor. "I graduate in 18 days." This could be true if one of his literary forays doesn't get him flunked on something.

Allred is supposed to go on television Friday to discuss his tribulations as a university columnist — that is if he lives 'til Friday.

Ordinarily The Canyon News does not attempt to cover business of the city of Amarillo. Normally we confine our coverage largely to Randall County.

However, we felt that since a third of the city of Amarillo lies in our county an impending change in Amarillo police chiefs is of keen local interest.

Red China has been the severest critic of US involvement in Vietnam yet in one of its first votes it joined more than 100 other meddlesome nations in the UN to try to tell this country with

whom it can engage in trade.

The UN voted to censure the United States for purchasing chrome from Rhodesia because they do not like the way Ian Smith administers his country's internal affairs.

Also chrome is a strategic material and I'm sure the communist bloc would like to see us without it.

\*\*\*

Teddy Kennedy, who has also criticized this country for its involvement in Vietnam, has stuck his senatorial nose into the affairs of Great Britain by suggesting that British troops withdraw from Northern Ireland.

\*\*\*

There was considerable interest in the latest meeting of Randall County Water Association held Tuesday night. It was attended by 28 farmers and businessmen.

The group voted to become a unit of Water Inc., an organization devoted to importation of water to this area from the Mississippi.

The project is going to take 20 years and won't be of much benefit to the people working on it now but it will save this great agricultural area for our children.

So it is none too soon to pay up your membership and become a part of this historic undertaking.

**Church Picks  
Architects**

The session of First Presbyterian Church has chosen the architectural firm of Hucker and Parge to draw the plans for their proposed building program.

The architects are to present a plan to the church by Mar. 1, according to Jim Irwin, chairman of the Executive Building Committee.

The firm designed 12 of the buildings on the WTSU campus, including the University Complex South and the Activities Center, cooperated in planning Amarillo's City Hall, and were the architects for several buildings at the Amarillo Medical Center.

Churches designed by the firm include St. Paul Lutheran Church in Canyon and the new Temple B'nai Israel in Amarillo.

**Letters To The Editor**

Dear Editor,

I think it is time someone gave our local "Animal Warden" a pat on the back. He is hired to do a job and does so to the best of his ability. He is called out to pick up dogs and would really be criticized if he did not pick them up. If he uses a tranquilizer, he uses what is provided — not what he picks out.

He is a fine young man with a lovely young family so please — get off his back.

Mrs. Clyde Miller

11-14-71  
Dear Editor:

I am not running for election to any county office nor am I interested in Rep. Ben Bynum's Palo Duro County. I do think a number of things could be changed.

The three south Amarillo commissioners have taken our precinct road crews away from us, hired twice the help and probably spending three times as much money as was spent before Clarence Beckman was put on the shelf and Glenn Dowlen's hands tied by the one-unit road system. Give us back our road crews and let the south Amarillo commissioners support their own projects! Precinct #3's county roads are falling apart.

We already have a by-pass highway #1541 down Washington Street to Happy for folks who care to use it. They have yet to come up with a by-pass route that would give an alternate inlet-outlet for college traffic like a railroad crossing on N. 24th Street and two blocks of pavement northwest of said crossing to join service road and traffic circle southwest of Taylor's Discount Lumber. This would not only be an outlet to Amarillo and Frank Kimbrough Memorial Stadium on the service road, but to Tulia and Hereford by way of traffic circle.

The intersection of 15th Street and U. S. 60 is on a hill. Cut U. S. 60 down to the level it is one block east or west of 15th St. traffic at its present level. (B. C. Taylor and the Cowboy Cafe maybe wouldn't be in favor of such a project, but there are service roads or room for same

on both sides of U. S. 60.) I sure wish the boys with time on their hands would leave our time at one time—either one or half way inbetween. My built-in alarm clock just doesn't want to make the changes.

Here's for better conditions in RANDALL COUNTY.

Reeves Donnell

Editor  
Canyon News  
Dear Sir:

"Eastside, Westside, all around the town."

The Hiway bypass proposals remind me of the graffiti the hell-bent generation of my day painted on Model T and Model A cars.

One that comes to mind was "Four wheels, No Brakes, In God We Trust"

Another had a pair of arrows across the back pointing right and left. The legend was—to the left "PASSING SIDE, to the right "SUICIDE".

So if Canyon wants to commit suicide, let the by pass go east.

I am a little surprised at the college attitude. The town was here first. The town asked for the school and has always supported it.

Maybe the school thinks it's outgrown Canyon now. But I notice they never are backward about asking for support for various projects.

I like the idea of a south-bound west side and a north bound east side as a compromise measure.

I see no reason since each will be one-way for any elaborate million dollar interchanges at 4th Avenue.

Now if it just "has to be" for a lot of money and a lot of inconvenience, I have a new proposal which no one seems to have thought of.

For want of a better name I shall call it "operation Pole Vault," and it's really quite simple.

Let's take off from the top of the hill south of town and overpass the whole works to the top of the hill north.

Then we can have a spiral 4 way double back action cloverleaf at 4th Avenue.

This should mystify, confuse and inconvenience just about everybody in the community.

It ought to cost at least 40 million and take 8 years to build. And just look at all the fun the burro-crats could have with that! Then with appropriations and supplemental appropriations and supplements to the supplement. My wouldn't the late Harry Hopkins chuckle over such a project!

"There really is no end to this."

"We will tax and tax and spend and spend."

Or does your memory go back that far?

My alternative plan will do away with the 4th Avenue interchange. This one I call "Operation Sling Shot".

Construct launching ramps on top of the two hills and propel the vehicles through the air with the greatest of ease, similar to the Navy operation to launch planes from carriers with short flight decks.

The only flaw here is that I haven't figured out how to stabilize the cars, trucks and busses in flight to be sure they will land in the proper lane on the other side.

In any event this would certainly be a sight to Bee Hole!

Cordially  
Dr. Charles W. Martin

**Thanksgiving  
Day Is Holiday**

Canyon Chamber of Commerce has requested businesses close for Thanksgiving Day, Nov. 25.

Chamber has also suggested businesses be closed for Christmas Day, Dec. 25, and New Years Day, Jan. 1, 1972.

**District Pays Bill**

South Randall County Hospital District board paid bills totalling around \$2,000 at the regular meeting Monday night.

Hospital administrator Ray Grimes reported the district made a loan of \$5,000 in order to pay bills that have accumulated since the district was formed.

Bills included attorneys fees, travel expenses, reimbursements to Neblett Hospital, bonding fee, secretarial fees, and the administrator's salary since September.

**Our World**

BY ANN BROWN

We live in the age of computers. A computer is a machine that produces whatever it is programmed for. Several eminent scientists concede the human brain is the ultimate in computers.

Since the first atomic bomb exploded, man has been programmed for fear and socialism.

Unless the haves divided with the have nots, warned the experts, there would be more war.

So the fruits of American labor started flowing out to

the ends of the earth. How many friends have we gained? Has the some 30% of our national wealth that we have sacrificed kept us out of war.

According to Dr. John A. Schindler in his book HOW TO LIVE 365 DAYS A YEAR, fear stimulates the glands to overproduce hormones. The muscle tense for action, the blood clots, and the blood vessels contract. This may be helpful in a physical crisis. But when the emergency action continues over a long period of time, it can do irreparable harm.

Jesus said the time would come when men's hearts would fail them for fear (Luke 21:25-26). What is the number one cause of death in America?

What except fear could send the President of the United States crawling to the red butchers of China?

The leaders responsible for the murder of 6 million Jews in Germany were tried and condemned as criminals.

Board members agreed to the proposed contract between the two agencies after certain details have been worked out. Final approval will be given by Supt. Jerry Jacobs and board president Dudley Moore.

Talks began early this year between the board and the city, but agreement on costs could not be made until this week.

Park plans call for four baseball diamonds, grass, trees and shrubs.

"The land we have is primarily prairie," Moore told the meeting.

Gene Howe principal Luther Lawless requested the board take immediate action on the proposal so the park can be in use by next fall.

In other action Tuesday, board members appointed a textbook committee to recommend books for the school system.

Jacobs, who will chair the committee, said all teachers who teach a subject in which a book is being chosen this year, will serve on a sub-committee to study the books.

"This way all our teachers are involved in selecting the material," he explained.

Board reviewed the statement of cash receipts and disbursements for the fiscal year ending Aug. 31, 1971, which shows a closing cash balance of \$244,692. Final approval will be given in early December, Jacobs said.

Trustees agreed to file delinquent tax suits against 16 persons.

**School-City  
Park Plans  
Approved**

Canyon school trustees inked an agreement with the city of Amarillo to build a city park on school property near Gene Howe Elementary School at a regular meeting Tuesday.

Board members agreed to the proposed contract between the two agencies after certain details have been worked out. Final approval will be given by Supt. Jerry Jacobs and board president Dudley Moore.

Talks began early this year between the board and the city, but agreement on costs could not be made until this week.

Park plans call for four baseball diamonds, grass, trees and shrubs.

"The land we have is primarily prairie," Moore told the meeting.

Gene Howe principal Luther Lawless requested the board take immediate action on the proposal so the park can be in use by next fall.

In other action Tuesday, board members appointed a textbook committee to recommend books for the school system.

Jacobs, who will chair the committee, said all teachers who teach a subject in which a book is being chosen this year, will serve on a sub-committee to study the books.

"This way all our teachers are involved in selecting the material," he explained.

Board reviewed the statement of cash receipts and disbursements for the fiscal year ending Aug. 31, 1971, which shows a closing cash balance of \$244,692. Final approval will be given in early December, Jacobs said.

Trustees agreed to file delinquent tax suits against 16 persons.

Several years ago the Communist Daily World complained that Americans would not accept "revolution," but noted that they love "change." So "let's give them change! change! change!"

The writer went on to say that the churches and the preachers were the most influential forces on grass roots America, and must be utilized to bring about the "desired changes."

Who proposed the "God is dead" theory?

Who glorified civil disobedience?

Who usually leads the demonstrators who riot in our streets?

Evolution, according to the dictionary, is a slow and orderly change. Revolution is a swift and disorderly change.

Has America made drastic changes in the structure of religious services? What about the content of religious literature? Has socialism replaced the emphasis on doctrine and spirituality?

Many of the major religious denominations opposed the amendment to permit voluntary prayer in public schools. Yet it is difficult to find members of those communions who agree with the position the leadership has taken.

Bureaucracy is not confined to civil government.

Every life change disturbs one's emotional homeostasis. Even the most stable person is damaged by constant upheaval. If the variation is beneficial, one should learn to adjust. But what value is there in change just for the sake of change?

We decry brainwashing behind the Iron and Bamboo Curtains, and we're alarmed about rock music and x-rated movies. Would it not be wise to check on the subversive programming of our youth through public school textbooks, religious literature, and the social gospel?

**How to face up to winter**

If your winter face is going to look as dewy fresh and healthy as the one left, you have to give it all the help you can. Cold and wind and—believe it or not—central heating all play havoc with skin. So whether you spend most of your time outdoors exposed to the elements or indoors in overheated buildings, here are some helpful ideas to keep your winter face in the best possible shape.

the case inside your jacket so it's handy. Lotion 2000 (not sketched) is another good weekend take-along. It's a rich soothing moisturizer for face and body. All of these products by Bonne Bell.

**Indoor faces**

Sketched right are some new ideas that help fight the drying effects of winter, especially in overheated buildings. They're all made with the purest natural ingredients like honey and skim milk and come in handsome tissue-wrapped containers. Dry to normal skins might

**Plus**

Directly below: A pretty idea "Berries 'N' Cream" lipstick by Bonne Bell. Bottom: Emollient Lip Conditioner adds a sunscreen to a sleek pretty gloss. "Ultima" II by Charles Revson.

**Outdoor faces**

Skins exposed to frequent cold blasts need a beauty routine that helps put back the moisture winter drains off, plus all the sun and wind protection possible. When you're off for a ski or any other cold-weather weekend you might want to pack some of the face-savers sketched above. Ten-O-Six Lotion gets skin beautifully clean and leaves it with a moist protective film. The new pre-soaked towlettes are easy to pack. Weather-proofer slips into your parka pocket to protect against sun, wind and cold. The lipgloss, Purrse 'N' Parka, has a sunscreen too. Pin

**Dos & don'ts**

- DON'T underestimate the power of the winter sun to dry and burn your skin. Keep it protected with a sunscreen or block just as you do in the summer.
- DO remember that your face isn't the only part of you that's affected by winter. Use a good body moisturizer as faithfully as you do a facial one.
- DO rethink your skin routine for winter. Toners and astringents that might be perfect for warm weather could be too drying now.

Teachers Attend Meet

Four art instructors from Canyon High School and West Texas State University will attend the Texas Art Educators Association meeting in Lubbock Friday through Sunday.

Mrs. Charlotte Brantley and Mrs. LaNell Hagemeier of the high school staff, and Mrs. Jerri Warren and Mrs. Margaret Campbell of West Texas State will be at Tech for the three-day meet.

Mrs. Brantley will give a demonstration at the convention on designing sets for stage production in high schools.

"Canyon is unusual because the music, drama and art departments work together, and they do a fine job," Mrs. Brantley.

Mrs. Brantley is costume and set designer for the annual musical at the high school "Lil Abner" which is scheduled in February.

Art Fair Set For Dec. 3

The second annual Art Fair, featuring art by West Texas State University students, faculty and exes, will be held Dec. 3, 4, and 5 in the WTSU Activity Center ballroom.

Sponsored by Kappa Pi, art fraternity, the fair will be held from 7 to 9:30 p.m. on Dec. 3 from 1 to 9:30 p.m. on Dec. 4 and from 1 to 5 p.m. on Dec. 5.

Any form of art work including oil, water color and acrylic paintings, sculpture, jewelry, pottery, and copper enameling will be included in the fair.

Any student, faculty member or ex-student of WTSU may buy a booth for \$2.50 and show their art work, according to Elaine Maples, treasurer and advertising chairman of Kappa Pi.

Kappa Pi receives 15 per cent of the sale of any art work and the money goes to the scholarship fund and to pay the expenses of the fair, Miss Maples said.

Copper enamel match boxes made by members of Kappa Pi will also be on sale at the fair and 75 per cent of the proceeds from the match boxes will go to the Lubbock State School for Christmas presents for the Children.

Also when purchasing a match box, the purchaser also receives a chance to win an acrylic painting by Margaret Campbell, art instructor at WTSU, according to Miss Maples.

Stompers Meet UTEP In Last Tilt

West Texas State University's freshman football team closes its season at 8 p.m. Friday in Odessa against the University of Texas at El Paso freshmen.

The "Baby Buffaloes" of coach Ronnie Mankin have won two of their three outings this season, stopping Wichita State's freshmen, 23-7, and New Mexico Military Institute, 34-17. The loss was a 41-7 decision administered by the University of Tulsa freshmen.

University of Texas at El Paso will bring a 1-2 mark into the game. UTEP downed New Mexico State's freshmen, 21-6, but fell in games to the freshmen of Arizona, 35-0, and New Mexico's freshmen, 21-7.

Leading the ground game for the young Buffs' wishbone attack is former Rule all-star Jimmy Lisle, who has 371 yards in 45 carries. Halfback Johnny Jackson of Kress has 134 yards rushing and has totaled four touchdowns.

Starting fullback Ronnie Fangman of Vega has 99 net yards on 34 carries and Juan Garza, younger brother of Buffalo varsity kicking ace Matias, has 153 rushing yards. Garza, however, is a starting defensive back.

167 net yards and one touchdown on 47 carries. Converted quarterback Gary Bolen has 44 net yards.

Mike O'Dell has hit eight of 22 passes for 98 yards. White has three of 15 completions for 30 yards.

Mankin will probably start Sellers at split end and the 6-2, 202-pound Solis at tight end. Lubbock Monterey's Jim Hart (6-3, 213) and Ben Bentley (6-3, 205) of Panhandle will start at the offensive tackles. Jim Jeffers (6-2, 202), a former all-stater from Hess, N.M., and Canyon's Rick Hales (6-3, 191) will start at guards. Former Odessa Permian all-district player Don White (6-2, 180) will be at center.

Wartes, 5-10 and 165, will start at quarterback. Lisle (6-1, 187) and Jackson (5-11, 190) are the halfbacks and Fangman (6-3, 190) will be at fullback.

Starting on the front four defensive are Vega's Kenny Donethan (6-1, 190), Ran-

kin's Bill Routh (5-11, 190), Odessa Permian's Don Focoas (6-0, 215) and Killen's Henry Hamilton (6-3, 180). The linebackers will probably be Gary Weaver (6-0, 170), Bruce Davis (6-0, 209) and David Herber (5-11, 190).

Weaver and Davis are former Odessa Permian players and Herber performed in high school at Amarillo Tascosa. Both Davis and Herber earned first team all-state honors last fall. They are the first class AAAA Texas all-state players to be signed by West Texas.

At the corner backs will be Garza (5-11, 172) and Borger's Scotty Hindman (5-11, 180). The safeties will be Arcadio Rivera (6-0, 168) of Marfa and Sundown's Robert Edwards (6-0, 164). Edwards was an all-state quarterback last fall in Class B.

Garza, who has a 52-yard field goal to his credit this fall, will handle the placement kicking and Donothan will be the punter.

Pritchett Nears Rushing Mark

Sophomore flash, Billy Pritchett could top the magical 1,000 yard rushing mark Saturday when the West Texas State Buffaloes meet the Drake Bulldogs.

Pritchett has rushed for 938 in 200 attempts. He led the Missouri Valley Conference in the early weeks of the season, but now stands a distant second to Howard Stevens of the University of Louisville who has scampered for 1231 yards.

Pritchett is fifth in total individual offense in the MVC rushing statistics.

He has been averaging 104.2 yards per game and sports a 4.7 yards per carry average and has scored six touchdowns for the Buffs this year.

Here is a great idea: Turn idle items into cash with a low cost want ad. Call 655-2141.

## Teachers To Go To Convention

Canyon teachers will hear Dr. Frank O. McIntyre, director of Information Services for the California Teachers Association, at the Texas State Teachers Association's District XVI convention in Amarillo's Civic Center today and Friday.

Canyon schools will be dismissed Friday so that faculty members may attend.

Voting in the district House of Delegates today will be the Randall County Executive Board, composed of Luther Lawless, Dr. E. B. Posey, Herman Demus, Mrs. Moira Myrl Wheelock, Mrs. Betty Brown, and Mrs. Alma Perkins plus two more representatives, Mrs. Lee Reeves and Dr. Carl Pride.

## Local Cows Score High In Production Tests

A report of milk production levels attained by dairy cows in the area has been received from Holstein-Friesian Association of America. The food production output recorded by the local Registered Holsteins is:

R-Hales Skokie Sylvia 6709339, a five-year-old, produced 20,490 lbs. of milk and 763 lbs. of butterfat in 305 days. Hales Naches Lady 7495641, a two-year-old, had 18,490 lbs. of milk and 713 lbs. of butterfat in 365 days. Both are included in the herd tested for Jones Hales, Canyon.

Palo-Duro Pioneer Bess

## Father Of Mrs. Stewart Dies In Iowa

Ernest Geistfeld, 61, father of Mrs. Al Stewart of Canyon, died Sunday afternoon in Cedar Rapids, Iowa following a three month illness.

Mr. Geistfeld, who resided in Marion, Iowa, was born May 26, 1910 in Marshall, Minn. He celebrated his 28th wedding anniversary last Friday.

Funeral services were conducted Wednesday in St. Paul's Lutheran Church in Marion, Iowa followed by burial rites in Independence, Iowa.

Survivors include his wife Nellie of the home, two sons, Loren and Eugene; one daughter, Mrs. Karen Stewart of Canyon; seven grandchildren; six brothers and one sister.

Lou 6976036, a two-year-old, produced 20,520 lbs. of milk and 767 lbs. of butterfat in 361 days. Palo-Duro Chief G Mistress 6873335, a three-year-old, had 20,740 lbs. of milk and 718 lbs. of butterfat in 305 days. Both are included in the herd tested for Louis G. Henders, Canyon.

These new production figures may be compared to the estimated annual output of 9,388 lbs. (4,366 quarts) of milk and 345 lbs. of butterfat by the average U. S. dairy cow, notes the National Holstein Association.

Production testing is made available through the cooperative efforts of the state and local testing associations and Holstein-Friesian Association of America. Dairymen enrolled in the program pay for the service.

## Deputy Escapes Injury

Jim Merrick, Randall County Sheriff's deputy, escaped injury Monday night when his car hit a state highway guard post and turned over one time.

Merrick said he lost control of his car coming off an exit ramp at Hollywood Road.

Merrick said word was put out on the radio that Kiddie City at 34th and Western had been robbed and that the suspect was going west on 34th.

"I was trying to get out there to intercept him or spot him," Merrick said, when the accident occurred.

No, you don't have to hike a mile to get to the Trail Motor Hotel, the "parking" area refers to another sign behind the motel sign. But

travellers along U.S. 87 might get a chuckle about the parking designations so near the motor hotel advertisement.

## 32 From CHS Compete In Choir Tryouts Saturday

All-Region Choir tryouts will be held Saturday in Dumas with 32 Canyon High School students competing for a position in the choir.

Choir Director Tom Jennings said students named to the All-Region Choir will compete in Lubbock Jan. 15 for a position in the All-State Choir.

All-Region Choir will perform a concert in Dumas Jan. 7. The All-State Choir will present a concert at the Texas Music Educators Association convention in Fort Worth Feb. 9-12, 1972.

Songs to be sung for all-region choir tryouts will be

"Heilig" by Mendelsohn; "Go Ye Forth American" by Newbury; "Widerspruch" by Schubert; "Death of Tenebr" by Brahms, and "When'er The Sounding Harp is Heard" by Brahms.

The 27 Canyon songsters to compete Saturday will include Sammy Kerbel, first tenor; Richard Smyrl, baritone; Cole Lippold, second tenor; Teresa Moore, first alto; Mike Demus, first tenor; Lauran Fulton, first soprano; Sheryl Bellah, first alto; Jaycene Bellah, second soprano; Pam Stribling, first alto, and Lee Schickedanz, second alto.

Others include John Green, baritone, Sharon Freeman, first soprano; Tony Burrus, baritone; Lyn Holmes, bass; Jane Taylor, first soprano; Mike Raillard, bass; Julie Brantley, first soprano; John Boone, baritone; David Word, second bass; Lynn Williams, second bass; Gary Cox, second tenor; Nancy Winn, first alto; Glenn Holcomb, second bass; Julie Whittington, second soprano; Maria Phillips, first soprano; Tim Bashor, second bass; Jamie Gallemore, bass; Edna Glover, first alto; Marty Widick, second tenor, and Pat Cannon, baritone.

Senior chapter conducting team placed fourth, and those team members were Scotty Keeling, Randall Smith, Harry Simms, Pat Trammell, Steve Ross and Mike Kelly.

Junior chapter conducting team placed seventh in the district contest. Those members were Jimmy Ward, Phil Podzemny, Rod Hales, Dale Berry, Dan Renshaw, Rick Dugan, Gary Reynolds, Dennis Howell and Adria Foll.

Members of the team were Jan Henson, Tim Crown, Wade Wilhelm, and Larry Vaughan.

Assisting Thompson in his recital will be pianist Mrs. Mary Helen Demus, instructor in piano at WTSU.

## Thompson Featured In Recital

Kenneth Dwayne Thompson, son of Mr. and Mrs. S. W. Thompson of Amarillo, will be featured in a euphonium recital at 4 p.m. Nov. 29 in the West Texas State University Fine Arts Theatre.

Thompson, a euphonium student of Donald Baird of the WTSU music faculty, is a member of Kappa Kappa Psi, national honorary band fraternity.

Thompson will be assisted in the Peeters work by Steve Haddad, El Paso junior, Buzzy Green, Plainview junior, and Dennis Syring, Canyon senior.

The recital is being presented in partial fulfillment of graduation requirements for a Bachelor of Music Education Degree.

## Piano Recital At WT Sunday

Pianist Sarah Moore will make her musical debut at West Texas State University in a recital at 3 p.m. Sunday in the Fine Arts Auditorium.

Miss Moore, a native of Jackson, Miss., joined the WTSU faculty this fall as instructor in music.

She holds a Bachelor of Music Degree from Mississippi State College for Women and a Master of Music Degree in piano from the University of Texas.

She won the Mississippi Music Teachers' Association's piano solo competition in 1965 and its

piano concerto contest in 1967. In 1968 she was featured guest soloist with the Jackson Symphony Orchestra.

Her program will include Bach's "Partita in B Flat

Major," Haydn's "Sonata in F Major," Brahms' "Intermezzo" and "Capriccio" and Ravel's "Valses nobles et sentimentales."

The recital is free to the public.

## Explosion Damage To Cycle Shop Heavy

Extensive damage was done to the Discount Cycle Shop at 603 23rd Street around 5:30 p.m. Sunday when an explosion blew out the front plate glass window followed by a fire. Canyon police officer Steve Wisniewski saw

smoke coming from the stucco structure minutes before the explosion occurred. As he approached the building the front glass blew out.

He immediately checked the rear of the shop to see if anyone was inside, but heavy smoke kept him from entering.

Cause of the explosion and blaze was not definitely known by mid-week, but fire marshal Glen Metcalf said he believed an open flame heater and accumulation of gas fumes attributed to the incident.

Traffic along U.S. 87 was rerouted for around 30 minutes as six units from the Canyon fire department fought the blaze.

Marvin Fite of Canyon owns the building and Francisco Lara of Amarillo owns the cycle shop.

Several cycles were in the shop at the time of the explosion, but a definite damage report was not available at prestime Wednesday.

Fite said exact figures on damage to the building were not known, but heavy structural damage was probably done.

The cycle shop had been in the building for around two months, according to Fite.

Farm Bureau state officers visited in Canyon Saturday during a statewide convention, which is being held in Amarillo hosted by the Canyon group. Joe Turpin, center, Randall County Farm Bureau president, chats with J.T. "Red" Woodson, right, state president, and Carroll G. Chaloupka, state secretary-treasurer.

### Elaine Peeples Returns To News

Mrs. Elaine Peeples has rejoined the Canyon News staff as reporter covering the Randall County courthouse and West Texas State University.

Mrs. Peeples, who formerly worked for the News in 1968, is a WT graduate with degrees in journalism, history and government. She has a masters degree from WT in government, and taught in that department at the university as a graduate assistant.

The mother of two was

reared in Wellington and graduated from high school there. She attended Texas Tech in Lubbock one year before entering WT.

She worked as a reporter for the Amarillo Globe-News after graduating in 1966.

Mrs. Peeples, and her husband Kent, who is a salesman with International Harvester Co., moved with their children to Santa Fe, N.M. two years and returned to Canyon early this month.

Children are D'Ray, 7 years, and D'Layne, 4.

## New York Tour Set

A Greenwich Village tour, a glimpse of backstage Broadway and a sampling of New York theater offerings are available through West Texas State University in January.

The WTSU Masquers, a dramatics club, is promoting the trip to New York City

during the semester break Jan. 2-10. The tour is open to West Texas State students, faculty, alumni and supporters of the university.

The \$253 package includes four theater tickets for both on and off-Broadway plays, roundtrip airplane fare, accommodations at the Royal Manhattan Hotel, trips through Greenwich Village and Lincoln Center, a backstage guide tour of a major Broadway show, a seminar conducted by a top theater personality, excursions to a number of restaurants frequented by playwrights and actors and a ticket to the David Frost Show, a club spokesman said.

Deadline for reservations is Nov. 29. Inquiries may be addressed to the WTSU Speech Department.

## Yuletide Concert Set

A Christmas concert by the Canyon High School choral department is scheduled at 7:30 p.m. Dec. 14 in the high school auditorium, according to choir director Tom Jennings.

Traditional Christmas music will be presented the first half of the concert, and the Chorale and string orchestra will present Vivaldi's "Gloria".

Groups to perform will include the Mixed Choir, Girls Choir, Chorale, and several ensembles.

Tickets will be \$1 for adults and 50 cents for students, and proceeds will be used to finance choir projects through the year.

## Harris Out On Bond

Claude Thomas Harris, 18, of 1613 NW 17th in Amarillo, was arraigned Tuesday before Judge W. W. Hancock on charges of burglary by breaking.

Harris was released on \$500 bond.

Harris is charged with the burglary of C. R. Anthony Store and Pants West in Amarillo on Nov. 17.

# Robbery Suspect In Jail

Herman C. Forgason, 42, of Lubbock, charged with robbery with fire arms, is being held in Randall County jail in lieu of \$30,000 bond.

Forgason was arraigned on the charge Tuesday by Justice of the Peace W. W. Hancock.

He is charged with the Monday night robbery of Kiddie City at 4559 Western in Amarillo. Forgason allegedly took about \$500 from the store.

Fred Wagner of 506 10th Ave., a graduate student at West Texas State University, was a witness to the robbery.

Wagner said he was sitting in a restaurant next door to Kiddie City and saw a man come out of the store carrying a gun.

"I jumped up and followed him down the alley and he got in his car and took off," Wagner said. Wagner said he gave the police a description of the man and the car when they arrived.

Wagner said that it didn't occur to him that it might be dangerous to follow the man because he was conditioned to react in such a situation. Wagner just returned from a year's duty in Vietnam.

Forgason was arrested by a deputy sheriff in Hereford following a short chase, according to Detective Smith of the Amarillo Police Department.

# Six Aoudads Killed In Week Hunt

Six Aoudad rams have been killed in Randall County thus far in the week-long season, according to Stanley McDonough, game management officer.

Largest ram shot in the county this year has measured 30 1/2 inches in horn length.

McDonough said around 17 permits were issued in the county for this year's hunt.

Season opened last Saturday and will close tomorrow.

According to McDonough, a ram 32-inches in horn length was killed in Briscoe County earlier this week, which was the largest Aoudad killed in the annual hunt.

# Club Plans Play Day

A Play Day for fourth, fifth, and sixth graders will be sponsored by the WTSU Women's Physical Education Majors' Club from 1 to 4 p.m. at the Student Activities Center, Saturday.

Admission of \$1 per child will provide an afternoon of swimming, trampoline jumping, and games, all supervised by the club members.

Youngsters should bring swimming suits and tennis shoes, and will need socks to jump on the trampoline.

# First Christian Hosts Visitors

Sixteen foreign visitors from nine European countries toured Canyon and the surrounding area last week.

The group was sponsored by the First Christian Church and stayed with members of the church during their visit here.

Currently on a seven-week tour of the United States, the group toured the Panhandle Plains Historical Museum, Palo Duro Canyon, West Texas Horse Stables, the Happy Feed Lot, Hinder's Dairy and the West Texas State University Activity Center.

# Ramsey Goes To Conference

Eural W. Ramsey, Instructor of Driver Education attended the South Central Regional Conference of the American Driver and Traffic Safety Education Association held last week in College Station. The theme of the conference is "Engineering in Traffic Safety." The group will tour the facilities of the Texas Transportation Institute which works primarily with the research of highway engineering and safety.

## CHILDHOOD NOSEBLEEDS ARE COMMON

The three most frequent reasons for a child's nosebleed are a dryness of the mucous membranes, rubbing or picking at the nose during sleep and a small ulcer area in the nose. If repeated often, consult a physician.

Often the problem can be corrected by improving the humidification in the home and the application of white petroleum jelly to the inside of the nostrils to prevent dryness. If needed your doctor can, in a simple procedure, cauterize a small ulcerated area.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

**The Shell's Pharmacy**

PRESCRIPTION CHEMISTS

Eric Rathjen, 13, son of Mr. and Mrs. Fred Rathjen of 2400 14th Ave., killed his first deer Sunday night in Sutton County in South Texas. The deer was a nine point white-tailed buck with a 19 1/2 inch spread. The deer was killed with a 243 caliber rifle.

# "Lil Abner" Announced As Canyon High Musical

Cast for the Canyon High School musical "Lil Abner" were announced this week by musical director Tom Jennings.

The performance is scheduled Feb. 3, 4, and 5 at 8:15 p.m. Ticket prices have not been determined.

Charles E. Wright, drama instructor at CHS, is stage director. Neil Hess will be choreographer, and Charlotte Brantley will be in charge of costumes and sets.

Karen Malzahn is student stage director, Mike Raillard is student music director and Julie Brantley will be assistant choreographer.

Cast members will be Mike Demus as Lil Abner; Cindy Williams, Daisy Mae; Glenda Holladay, Mammy Yokum; Greg Reynolds, Pappy Yokum, and Gary Cox, Marryin' Sam.

Others include Mike Rinehart, Earthquake McGoon; Donetta Williams, Moonbeam McSwine; Tommy Richie, Senator Phogdound; Mike Raillard, General Bullmoose; Tim Bashor, Dr. Finsdale; Frank Garrett, Hairless Joe; Pat Cannon, Lonesome Polecat; Jamie Gallemore, Evileye Fleagle; Tony Burrus, Available Jones; Terry Jo Reynolds, Stupefyt' Jones; Marty Widick, Rodney Collier, and David Townsend, scientists and Chris Doss and Frank Garrett, two government men.

# Ed Wieck Chairman

Ed Wieck was reelected chairman of the Palo Duro Soil and Water Conservation District in an election Nov. 8.

Marshall Rockwell was named vice chairman, and James R. McCasland is the new secretary.

Other board members include C.V. Conatser and E.E. Sharp.

All directors will serve one year terms.

# Life Plus Organic Supplements The Ultimate in Supplements.

Cooper's Market Natural Life Vitamin Co.

# Girls Defeat Petersburg, 78-34

The Canyon varsity girl Eagles basketball team defeated the Petersburg team Tuesday 78 to 34 for their third victory of the season.

High point scorer for Canyon was Lynette Slack with 23 points. High pointer for Petersburg was L. Rhodes with 15 points.

Other scorers for Canyon were Chris Tucker with 20, Lynn Bowes with 10, Marilyn Read with 9, and Ginger Currie and Kim Killingsworth with 8.

The girl Eagle's game Saturday with Memphis was cancelled and Coach Bob Schneider said that if the Canyon team cannot find a

game for Saturday, the next game will be with Quitaque on Tuesday.

The Canyon junior varsity girl Eagles defeated the Happy varsity 76 to 20 with Alishia Nelson high point girl for Canyon with 21 points.

Becky Vic scored high points for Happy. Other scorers on the Canyon team were Mendy Sternburg with 17 and Carla Swatzel and Peggy Adams with 16.

# Students Tour With Choir

Barrie Cox, son of Mr. and Mrs. Wesley Cox, 2508 5th Ave., and Stephen Rhodes, son of Mr. and Mrs. Jess Rhodes, 2414 9th Ave., both of Canyon, Tex., are two of 50 Harding College students on a 9-day tour with the Harding A Cappella Chorus.

The tour from Nov. 13-21 will include programs of religious music in Shreveport, La., Tyler, Greenville, Terrell, Bryan, Austin, Beeville, San Antonio, Corpus Christi and Huntsville, Tex., and Magnolia, Hope and North Little Rock, Ark. The college is in Searcy, Ark.

## Final Costs Not Available On City Park

Final costs for a second city park in Canyon were not known late Wednesday by city manager George Louder, who said preliminary plans for the park will be presented at tonight's meeting of city commissioners.

George Ritter, chairman of the park development board, will make the presentation.

Louder did say some 32 picnic tables are shown on the drawings, which will cost around \$340 each, and 10 fireplaces are planned at \$150 each.

Other costs will include two comfort stations costing \$3,000 each, and a concession and storage building estimated at \$16,000.

Last week Louder estimated the sprinkler system

to run around \$125,000 to \$150,000, and the lighting to be between \$50,000 and \$100,000.

The park will be located in the southeastern section of the city near the present waste water treatment facility.

Louder said matching state funds will be sought from the Texas Parks and Wildlife Department.

## Jones In Canyon

Alan Jones, state Future Farmers of America president, stopped briefly at Canyon High School Monday to visit the vocational agriculture department.

Jones, who is from Longview, will make a return visit to Canyon in the Spring, according to instructor Jim Walker.

## Purcell Will Talk Saturday

Graham Purcell, Congressman from Wichita Falls, will be guest speaker at the first annual Farmers Union Fall Harvest Banquet at 7 p.m. Saturday.

The Banquet will be held at the Howard Johnson East in Amarillo and a dance, featuring a country western band, will follow at 9 p.m.

Purcell will speak on the farm program. Also attending the banquet and dance will be Jay Naman, state president of the Texas Farmers Union.

The public is invited to attend, according to Bob Lindsey, a member of the board of directors.

Tickets are \$3.50 per person and are now on sale at the Texas Farmers Union Office in Canyon.

Little Scott Raef, 3 years old, shakes hands with Rep. Graham Purcell, Congressman from Wichita Falls who will face Bob Price for the District 13 spot. Purcell attended the annual Umberger Sausage Festival Sunday. Scott and his parents Mr. and Mrs. Don Raef live in Umberger. Purcell speaks Saturday at a Farmers Union meeting.

## L.F. Sheffy Scholarships To Be Awarded

Eight students of history will receive scholarships to West Texas State University next semester through the generosity of a longtime faculty member at the institution.

Dr. Duane Guy, head of the history department, said Wednesday that at least eight \$250 scholarships will be awarded for the spring semester to students majoring in history.

The scholarships will be named for Prof. L.F. Sheffy, head of the WTSU history department from 1918 until retirement in 1957. He died four years ago.

In his will, Sheffy left the history department \$50,000 with the interest from its investment to go for scholarships and history materials for the university library.

"We now have enough money from the interest to give at least eight \$250 scholarships for the spring semester," Guy said. "With the fall semester of 1972 we will give yearly scholarships until we see how much interest has accrued."

Guy said to be eligible for a Sheffy Scholarship a student must be of at least junior standing and a history major. He added the scholarships will be awarded primarily on past scholastic achievements.

He said the scholarships are open to WTSU students as well as junior college students or those at other colleges and universities who upon transferring to West Texas State will be classified at least a junior.

Inquiries about the scholarships should be sent to the history department at West Texas State University. Deadline for application for the 1972 spring semester is Jan. 3, Guy said.

He said that within the next few weeks the history department will spend about \$500 from the Sheffy funds on materials relating to West Texas or Great Plains history for the library.

Guy said the deadline for Sheffy Scholarship applications for the 1972-73 school year will be announced later.

## Brass Choir In Concert

The West Texas State University Brass Choir will perform in concert at 8 p.m. Monday in the university Fine Arts Theatre.

The 22-member group is under the direction of David Ritter, assistant professor of music.

The concert is free to the public.

The program will include Gabrieli's "Canzona per sonare No. 2" and "Canzon Septimi No. 1," Pezel's "Sonata No. 22" from Hora Decima, Bach's "Ricercar" from "Musical Offering," Byrd-Osborne's "Fantasy in Six Parts," Presser's "Pascaglia and Fugue," and Rautavaara's "A Requiem in Our Time."

Winslow has nabbed 51 aeriels for 853 yards and six score, while Herbert has 37 receptions for 498 yards.

'Dog tailback Jerry Heston tops the Drake rushing and scoring charts with 600 yards and nine touchdowns. Kicking specialist Bob Smith has converted on 27 of 28 PAT's and has plit the uprights 17 times for field goals.

Drake, although currently in the Missouri Valley Conference cellar with the Buffs, leads the conference in total offense per game, averaging 325.4 yards per game. They are also second in total defense allowing opponents 271.3 yards per title.

The Buffs are ranked fourth in total offense and third in total defense.

The Drake game will conclude Mayfield and West Texas State's first year in the Missouri Valley Conference and unless the Buffs can come up with a victory Saturday, it will be a winless premier year for the WT grid-ders.

Game time is 8 p.m.

West Texas State University will accept sealed bids for the house in which the President presently lives, located on the southeast corner of the campus. The house is to be moved and the site cleared at the convenience of the University, but no later than June 1, 1972.

Bona fide bidders, by previous arrangement with the Business Office of West Texas State University, may inspect the house on Tuesday, November 16, between the hours of 10:00 a.m. and 4:00 p.m.

A good faith deposit in the amount of 10% of the total bid shall be submitted with each bid.

The University reserves the right to reject any or all bids.

Bids must be in the office of the Vice President for Financial Affairs by 2:00 p.m., November 23, 1972, sealed and marked plainly, "Bid on House". 3TC32

NOTICE OF APPOINTMENT OF REPRESENTATIVE

All persons having claims against said estate are required to present the same within the time prescribed by law. My residence for filing of said claims is 2612 11th Avenue, Canyon, Texas 79015.

Brenda Kay Johnson Brock Administrator of the Estate of Bobby Wayne Brock, Deceased. Number 2597, County Court of Randall County, Texas.

# Gene Howe News

BY PAULINE HEFLEY

A flash to you — due to the fact that I left my column in the hands of an incompetent journalist, and due to the fact that the Pony Express ain't what it used to be — ya'll didn't get to read the Gene Howe News last week. Therefore, I am running Troyce's by-line this week. (Seriously, I do appreciate Troyce's filling in for me and we all know she is quite capable in this capacity. And, next week I'll be bending your ear about the Venezuela Voyage...pmh)

Gene Howe News, by Troyce Mulherin.

Greetings,

Nice to be back with you again.

Over 1200 people were served at Gene Howe's annual Chili Supper held recently at the school. Big thanks to all of you who went to that little extra effort in support of the cause! Plans are being formulated to make this event bigger and better next year. Many thanks!!

Football season is over for most of the kiddos playing for Gene Howe, but the 4th Grade Falcons have a real treat in store. When it was Kids, Inc. night at Kimbrough Memorial Stadium recently, balloons containing each team name were released. The balloon with the 4th grade Falcons' name was the first one returned, so these happy boys will soon be dining with the West Texas State University Buffaloes. Coaches for this team are Eldon Brown and Eurus Phipps, who are real pleased that their team also won a Sportsmanship Award and played in the Toy Bowl. Great goin', guys.

It is appropriate, too, to give a great big thank you to all the men who have given so much of their time and talents in coaching all these football boys. This is a time-consuming job, and these men deserve our support and appreciating. Believing in granting equal time to all, our coaches' wives have earned a bit of thank you, too. There has been a lot of shuffling of meals, a lot of driving and gobs of telephoning done by these "unofficial" members of the teams. Thank you, ladies.

A group of the Gene Howe area ladies have gotten to-

gether and organized a home demonstration club, which is known as the Town and Country Home Demonstration Club. This group meets on the 1st and 3rd Wednesdays of each month to learn crafts, sewing, canning, etc. All interested in joining with this group can call Mrs. Sarah Edwards, who is acting president, or Mrs. Rodney (Janice) Gresham, or Mrs. Eldon (Melvina) Brown.

Danny McGregor, son of Mr. and Mrs. Herbert McGregor, recently celebrated his tenth happy birthday with a cookout at his home. Kevin Dozier, Ken Cates, Allen Freeman and Gene Aduddell were more than happy to share the festivities with Danny.

The Hollywood Baptist Church will hold its annual Thanksgiving dinner on Nov. 21 at 6:30 in the cafeteria at Gene Howe School. Understand that the church members and their guests are already smacking their lips in sweet anticipation.

Mr. and Mrs. James Nash are enjoying being with their son, Pvt. Randall Nash, who is home on leave from Ft. Lee, Va. Pvt. Nash will be leaving for Viet Nam soon, so until that time comes, Momma Doris is sure happy to have him back in the fold.

The basketball teams for the Gene Howe girls are in full swing and already winning their games (naturally). Mrs. Dick (Jean) Richie is coaching the 4th grade girls; Mrs. F.P. (Arlene) Todd and Mrs. Donald (Juanita) Hall are coaching the 5th grade girls. One of the 6th grade teams is being coached by Gene Howe's own Elizabeth Meers and

## G of C Reaches Halfway Point In Cash Drive

About \$1,500 was received this week from Canyon merchants for the Christmas lights for the city of Canyon, according to Eddie Knowles, president of the chamber of commerce.

An additional \$1,500 is needed by Dec. 1, Knowles said, to finish paying for the lights.

Knowles said he had contacted about half the merchants in Canyon and had received only one negative response.

"The response has been real good and I think it is because the merchants know what an asset it will be for our town," Knowles said.

Knowles said the merchants on the highway would be contacted for their contributions this week or the first of next week.

The Christmas decorations include two lighted "Merry Christmas" sprays for each end of town, 90 seven and one-half foot Christmas canes for 23rd and 4th streets, and eight lighted choir boys for the court house square.

Any individual who wishes to contribute to the Christmas light fund may do so at the First National Bank, West Texas State Bank or the Chamber of Commerce office.

## County Water Association Joins Unit

Randall County Water Association Tuesday night voted to become a unit of Water Inc., which headquarters in Lubbock.

Jim Fletcher, who was president of the water association, remains temporary head of the Randall County unit. Purpose of Water Inc., is to work for importation of water from the lower Mississippi River below New Orleans.

Tom Williams, Water Inc., field man, told a group of 28 farmers and businessmen Tuesday night that the project would require 20 years and some \$11.5 billion.

The Randall unit must have 100 members at \$25 each in order to have representation on the Water Inc. board. Fletcher said an effort would be made to secure the required members by Dec. 15 when a meeting is slated to elect officers.

The Randall County Association was formed two years ago.

the other by Mrs. Leonard (Glenna) Schmidt.

Mrs. Archie (Margaret) Davis is quite excited these days. Her parents, Mr. and Mrs. Paul Mathes of Woodward, Okla., will soon be celebrating their 50th wedding anniversary. All Margaret's brothers and sisters will be convening in Woodward for this joyous occasion. That's not all! Margaret's and Archie's son A.V. Davis, will be on leave from Fort Polk to join in for the fun. Know all these folks will be having a marvelous time and best wishes and congratulations to all. Event down on your list of interesting events to attend.

Get well wishes to Mrs. Mary Jo Smith.

Guy Bufkin, his daddy, Jim, and brother, Gene from Kemp, have taken themselves deer hunting in New Mexico. Guy's mother, Mrs. Frances Bufkin, is visiting with Doris (Guy's wife) while the men are out big game hunting. Doris and Frances say they are not too worried about disposing of all that deer meat the men claim they will be bringing home. Apparently, the Bufkin women are not as confident as the Bufkin men. We shall see. Incidentally, Doris is rapidly recovering from her recent visit to the hospital, and is perking right along.

Everyone (especially the students at Gene Howe) are sure glad to see Paul Quintana again. Paul has been helping out with the custodial duties at the school. Nice to have him back.

Happy birthday to Bob Podzemny.

Bill's team has been to Waco with a two-fold purpose. One meeting was for the American Association of Physics Teachers and the other, a junior college conference for science teachers. Bill attended as representative for Amarillo College. Bill, Cora and Bobby will soon leave for Dallas and attend a Dallas Cowboy Game with the Pat Powells, their seven offspring and their seven offspring's sixteen offspring. Sounds like more than adequate support for the Abilene Christian College Band which will perform at halftime.

The Boy Scouts and Cub Scouts in the area recently went from house to house distributing "Goodwill Bags". This is an annual Goodwill project of the scouts. These boys requested that we fill the bags with clothes and small articles. If they failed to catch you at home to pick up your bag of goodies, call the Goodwill office at 372-8724. Let's all pitch in and give these scouts a hand in their helping.

Thanks for the use of the hall.

## Deer Season Opens Nov. 20

Deer season opens Saturday and will close Dec. 5, according to Stanley McDonough, game management officer.

Hunters must have a hunting license and the land owners permission to hunt on that property, McDonough reminded.

Limit is two bucks, one being a mule deer and other a whitetail deer.

Pheasant season runs Dec. 11-19, and limit is two cock pheasants per day and four in possession.

Quail season starts Dec. 1 and ends Feb. 15, 1972, and the duck and geese seasons began Nov. 3. Duck season ends Jan. 11, and geese season closes Jan. 16.

## Blasdel To Act In College Play

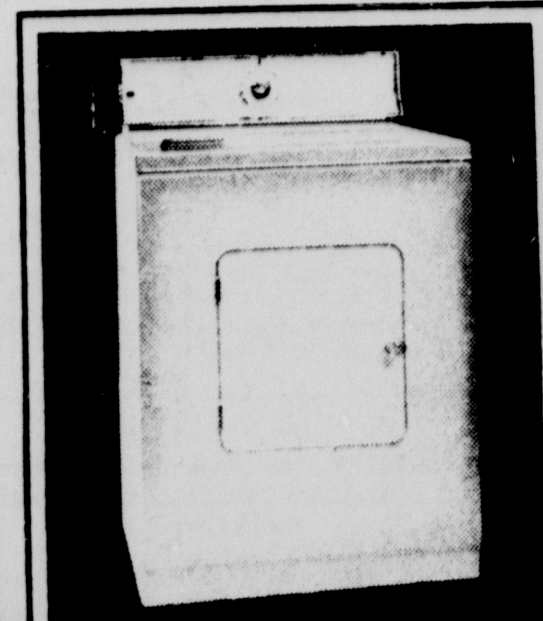

Chris Blasdel is a member of the cast for Earham College's production this month of "Rosencrantz and Guildenstern Are Dead."

Performing the roles of Laertes and a soldier, Blasdel is a sophomore at Earham. He is the son of Mr. and Mrs. L. Sherwood Blasdel.

"Rosencrantz and Guildenstern Are Dead" will be presented on the Earham campus in Richmond, Ind., November 19-20. The production marks the second presentation this year by Mask and Mantle, Earham's drama organization.

# By-Laws Changes Okayed Monday

The changes in the by-laws of the Panhandle Regional Planning Commission were approved Monday at a meeting of the general assembly held in Amarillo.

Members of the Randall County Commissioners Court and the Canyon City Commission were present to vote on the changes.

The board of directors was expanded from nine members to fifteen members by the changes in the by-laws. The new board will include two members from each planning and service area and five officers.

An additional officer, a second vice-chairman, was also included in the board. Randall County Commissioner, Jim Fletcher, was nominated to fill this post by the nominating committee and his nomination will be voted on by the general assembly at the Dec. 3 meeting.

An amendment from the floor was added to the by-laws stating that the officers of the executive committee will be made by a nominating committee.

Terms of members of the executive board were also changed to staggered terms to give continuity from year to year, according to Ernest Clark, executive director.

The number of representatives of the general assembly required to transact business was changed from one-third of the membership to a simple majority of those present and voting.

Randall County Commissioner Bill Butler objected to the simple majority requirement and suggested that a number limit should be set in order to transact business but the article passed as read.

John Fulgenzi, Randall County Commissioner, also raised the question that if the executive committee were the only representatives attending a general assembly meeting, could they, acting as the general assembly transact business.

Clark said that the executive committee could not legally transact business in that situation. Meetings of the executive committee, Clark said, must be publically announced three days in advance.

A change was also made in the requirements for transacting business by the executive committee. That article stated that a majority of the board of directors shall constitute a quorum. A sentence was added to the by-laws stating that eight affirmative votes are to be required to transact business.

Fletcher asked if the PRPC should give consideration to adding to the by-laws a provision to give help to governmental entities that are not members of PRPC. Fletcher said he noticed in the minutes of the last meeting that a request made by the city of Hereford, a non-member, had been refused.

Clark assured Fletcher that the PRPC did help non-member governments with any problem except those prohibited by law. Clark added, however, that he was not sure how long the PRPC would be able to continue helping non-member governments.

## District . .

(Continued from Page 1)

the cellar without a district win. But Mills said, "There hasn't been a letdown with our boys. They are still high and ready to play."

Canyon has won or tied their last four games in the final quarter of play. Each of those games has seen the Eagles tied or behind in the third quarter and with the exception of Perryton the Canyon gridders have won them all. "It kind of scares me," Mills said with a nervous little smile. "But it shows that our boys have courage. They are not quitters."

Fred Grona, who was injured in the Perryton game and slowed somewhat due to that injury in the Muleshoe game, is expected to be at fullspeed by Friday. "Barring any injuries in practice this week we won't have any one out of the game Friday," Mills said.

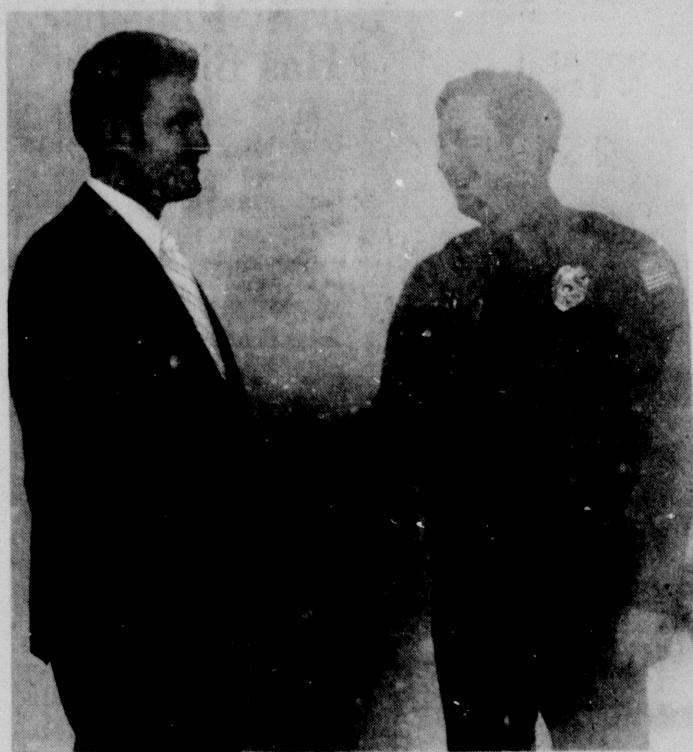

"I don't think that the

boys have hit their peak," Mills said, "They are improving every week. They may not hit their peak this year, because of our young ball-players."

"Our offense is just about to get there (as developed as the coaching staff had hoped they would be). Everyone, especially Chuck Wright is getting so they can read and pick the other defenses pretty well. Last week against Muleshoe Chuck saw a defensive safety out of position, ran a play and Edmondson made the long touchdown score on it. We are real pleased with the way the team is coming along," Mills said.

If the Eagles beat the Hornets, they will travel to bi-district competition. But if they lose and Perryton wins, the Eagles will be tied with Perryton for the district title, but the Rangers will represent the district.

Game time is 7:30 p.m. in Tulsa.

Tom Rolen, right, was promoted to lieutenant in the Canyon Police Department Tuesday by Police Chief Al Stewart. Rolen has been with the department for two years and was promoted to sergeant in March of this year.

# Rolen Promoted To Lieutenant

Tom Rolen, sergeant of the Canyon Police Department, was promoted Tuesday to the rank of lieutenant by chief Al Stewart.

Rolen, who has been with the department two years, reached the rank of sergeant in March of this year.

Stewart said two of his staff will be promoted to sergeant in the future, but no action will be taken until two more patrolmen are hired.

The department is short two men, according to Stewart, who was named chief early this month after Calvin Costley resigned in October. Rolen has 426 hours in police training and management and has 12 semester hours in police science at Amarillo College.

## Merchants. . .

(Continued from Page 1)

ded to the next week's drawing.

No purchase is necessary to register.

Employees of participating stores may register in any store except the one where employed.

## Prices. . .

(Continued from Page 1)

said. Byrd said he had price increases on things that have never gone up before prior the price-wage freeze going into effect.

Bill Davis of Davis Insurance Agency said he expected an insurance rate hike around the first of the year but that the rate increase would probably not affect this area since the area had rate increases last December and July due to the tornadoes.

Davis said that this area has had good experience in recent months and probably would not have a rate increase.

Mrs. Sarah Thompson of Thompson's of Canyon, Inc., said she was not expecting a big increase. She said she felt if the wholesalers did increase prices then the whole purpose of the freeze has been defeated.

David Davidchik, manager of Gibson's, said he hasn't had any increased prices so far but that when he had to reorder items the price will probably go up.

Davidchik said that import items in the future would have a separate price tag showing the amount of the surcharge on import items.

## Band. . .

(Continued from Page 1)

outlining details on insurance, possible travel itinerary, performing conditions for band concerts, money raising ideas, and background on the festival.

Some 30 bands are expected to attend from the United States, and another 30 are due from countries throughout the world.

He said arrangements are being made to host bands from Austria, West Germany, Italy, Japan, and perhaps some Iron Curtain nations.

He assured parents the political situation in Austria is stable, and suggested students not be given too much money to spend during the trip.

"In fact, I told my daughter she could have \$50 for the three weeks," Freeman declared.

He pointed out \$50 will purchase much more in Europe than here.

A temporary itinerary will be sent to the band parents in a month to 6 weeks, and after the local group approves it, a final itinerary will be issued, showing where the students will be each night.

"We will try not see too much," Freeman explained. "We want the students to get the feel of the countries they visit, and if we attempt to show them too much, they will spend too much time in the buses."

Canyon's band will present several concerts during their tour before the festival, and Freeman announced the band may appear at a small town's festival during the three weeks.

In addition to this appearance Tuesday afternoon before the band parents officers, Freeman also addressed the Band Parents Tuesday night and met with band students Wednesday morning.

Freeman's visit gave both weary students and tiring parents a shot in the arm.

"I know you can do it," he bolstered. "It may seem hard, but you will find something that will kick you over the top."

## Students. . .

(Continued from Page 1)

Center.

Gierhart said he would also like to recruit two students from each dormitory to be deputies. The senate also plans to conduct a door-to-door voter registration campaign.

Students at WTSU have also visited Canyon High School and Gierhart said he would talk with them again this week to make plans to help them with their voter registration drive. He said they might also contact Caprock High School and Tascosa High School in Amarillo to register Randall County residents there.

The voter registration period ends Jan. 31, 1972. Any student who becomes 18 following the deadline must make application to vote 30 days before he becomes 18 and will become a registered voter on the 31st day following application, Gierhart said.

Mrs. Bruse said she had supplied the deputies with guidelines for registering voters and with a book showing the boundaries of precincts in Randall County.

Gierhart said that any student who is a qualified voter in Randall County and who would like to become a deputy should contact him at the Student Senate office. Students with any questions concerning voter registration should also contact Gierhart.

## Accident Rate High

Randall County had the highest total accident rate of any county in the Lubbock Department of Public Safety Region for the month of October.

Randall County had 23 accidents resulting in two persons killed and seven injured, according to Jack Crownover, highway patrol supervisor.

During the first ten months of this year, the traffic summary for Randall County shows 164 accidents resulting in five persons killed and 98 injured.

## Chief. . .

(Continued from Page 1)

moved into the chief's office succeeding Rhodes in the middle 1950's.

Alexander's administration saw many changes in the department he supervised. He was a moving force in establishment of the Metro Squad—a group of specialists serving Randall and Potter Counties as well as the cities of Amarillo and Canyon and West Texas State University.

# Festival A Success

A larger than average crowd turned out Sunday for the 19th annual Umbarger Sausage Festival, according to Mrs. Ed Wieck.

About 3,500 from the Texas Panhandle, South Plains and Eastern New Mexico attended the festival.

About 2,500 pounds of sausage and 4,000 pounds of cabbage were prepared for the festival by the families who live in Umbarger.

Jack Brandt was festival chairman assisted by Carl Hartman. Other chairman for the festival were Leonard Batendorst, Leroy Artho, Mrs. Leonard Batendorst and Mrs. R.E. Friemel.

Head cooks were Mrs. Richard D. Friemel, Mrs. A.R. Friemel, Mrs. Marion Hicks and Mrs. Robert Koch.

Genie Knighton as Tzeitel, urges her suitor, Stephen Hilton as Motel, to ask Tevye's (Royal Brantley's) permission for the two to wed in "Fiddler on the Roof", in the musical being produced by the School of Fine Arts at WTSU. Final performances are today and Friday at 8 p.m. in the Branding Iron Theatre. Both performances are sold out. (Photo by Don Ingram)

### Mrs. Robbins Has Birthday

Mrs. Jeannette Robbins celebrated her 82nd birthday Monday at the home of her granddaughter, Mrs. Walter Cooper.

In Canyon for the occasion were two daughters, Mrs. Wakefield Walker of Independence, Ore., and her grandson, John Wakefield DePue, 5, of Portland, Ore., and Mrs. Lorine Hathaway of Los Lunas, N.M., and Ted von Uhl of Albuquerque.

Mr. and Mrs. Robert H. Brotherton and Linda also attended the birthday party. Mrs. Brotherton is Mrs. Robbins' daughter, too.

Mrs. Robbins is the great-grandmother of John DePue and of Mrs. Cooper's six-month-old son, Kevin.

### Fitness Foods Are Discussed

Mrs. Bob McCasland talked on "Food for Fitness" at a Nov. 10 meeting of the Jowell Home Demonstration Club in the home of Mrs. Ervin Davis.

She stressed a well-balanced breakfast, even for dieters, and reminded club members that the wholesomeness of some foods can be over-advertised.

The club will have its Thanksgiving supper at the Jowell Community Center at 6:30 p.m. Friday. Mrs. F.E. Culp will be hostess to the next regular meeting Jan. 12.

Attending the last session were Mesdames Earl J. Davis, Ervin Davis, Pete Leavitt, James McManigal, Jimmy Dietz, Marvin Flowers, Culp, and McCasland.

### Children To See Part Of Ballet

Dancers from the Amarillo Ballet Theatre will be in Canyon Monday to present portions of their third annual production of "The Nutcracker Suite."

They will perform for kindergarten children at First Baptist Church at 10:30 a.m. and at Rex Reeves School after lunch. Third-graders will view the dancers at 12:45 p.m. and fourth-graders, at 1:30.

The whole ballet is to be done at Amarillo's Civic Center Auditorium at 8 p.m. Nov. 29. Tickets are being sold by members of the Canyon High School Band at \$6, \$5, and \$4. A dollar reduction for children under 12 is available in the \$4 and \$5 seats.

### Holiday Food Sampled By HD Women

Women from home demonstration clubs sampled holiday fare Thursday at a Festive Foods Program sponsored by the Randall County Council and featuring Miss Marilyn O'Dowd and Miss Ernestine Gary of the Home Service Department of Southwestern Public Service Co.

The two home economists served an audience of 53 at their morning session and 32 in the afternoon.

Appetites were tempted with sausage-cheese balls, cranberry punch, herb bread, poppy seed pound cake, and "a la chicken ring"—creamed chicken in a cornbread ring.

Garnishes were emphasized throughout the program and included onions and fresh broccoli on the chicken ring and fruit garnishes on other dishes.

Many of the recipes demonstrated are for blender, electric skillet, or radar range.

The Edgetown Home Demonstration Club, led by Mrs. Bill Head, president, hosted the morning show. Pleasantview Club members, headed by Mrs. Ann Wydick, were hostesses during the afternoon.

### Harris Attends Insurance Meet

Charles Neil Harris, local representative of the Protective Life Insurance Company is attending a College Protector Seminar at the company's home office in Birmingham, Ala. this week. The school is for Agents who specialize in the college market.

County Judge Woody Pond is an early customer in the Campfire Girls' annual candy sale. Shelly Whitehead is the eager salesman. Other girls are Kim Langford, Lenise Bybee, Tracy Gillis, and Stormie Moreland (l. to r.)

### Bride-Elect Is Feted

Miss Dorothy Cruse Olson, bride-elect of Hollice Andrew Snyder, was honored at a linen shower and brunch Saturday morning in the home of Mrs. William E. Adams.

### Chapter Adds New Members

Two members of Chi Upsilon Chapter of Beta Sigma Phi International took pledge rituals and received their sorority badges Nov. 3 in the home of Mrs. Meade Michael. They were Mrs. Guy Hamblen and Mrs. Jack Sharp.

Mrs. Randy Mink was given a transfer ritual and was presented a yellow rose by the chapter president, Mrs. Michael. She is a transfer from Rho Chapter, Spearfish, S.D.

Mesdames Speck Benham, Melvin Tucek, George Stevens, Carl Sims, Lewell Johnston, and Michael took part in the ceremonies.

### Campfire Girls Offer Four Varieties Of Candy

Canyon's Campfire Girls will begin their annual candy sale Friday and will continue through Dec. 12.

The four varieties are Queen Bees (chocolate-covered almonds), Honey Bees (chocolate-covered pecans), Royal Mints (chocolate-covered mints), and assorted chocolates.

About 25 girls will be offering the candy at \$1 a box, according to Mrs. I.J. Tow and Mrs. Sam Bybee, who are the leaders in charge of the sale.

A girl from Canyon has been top salesman in the Amarillo Council for the past two years, said Mrs. Bybee. Dana Tow won a portable television set last year for her sales record. Leslie Bybee was top-selling girl the year before.

Each age group in the council will also compete for a radio or phonograph, the leaders said.

Girls who sell 100 boxes of the candy will win \$20 scholarships to Camp Summer Life. The 12-day camp near

Tres Ritas and Taos, N.M., features riding, swimming, archery, and crafts, and the girls will receive instruction in outdoor cooking and camping.

Those who sell 50 boxes will go to a day camp in Amarillo at no charge. Silver charms will reward girls who sell 36 boxes, and sales certificates, those who sell 24.

### Son Born To Harrises

Mr. and Mrs. Roy Harris of Borger have announced the birth of a son, Gannon Mathis, on Nov. 6 in Northwest Texas Hospital, Amarillo.

The child weighed 8 pounds 11 ounces.

The Harrises also have a daughter, Shalynna, 3.

Mr. and Mrs. Battle Harris are the paternal grandparents.

Mrs. H. M. West Sr. of Cleburn is the maternal great-grandmother.

## Umbarger News

BY SUSAN DOLLE

The 19th annual sausage festival has come and gone; by 4:00 last Sunday afternoon, 3400 people had trudged through the serving line. One of the distinguished guests in attendance was Congressman Graham Purcell who has made a bid for Democratic representative from this district. Mr. Purcell stated that he has eaten at many barbecues, wurst fests, even goat frys, but this festival was among the best in food, service, and hospitality. He said he plans to attend next year; if he does, we'll know he meant what he said.

### Class Has Luncheon

Mrs. Helen Reynolds was hostess to the Phebean Bible Study Class for its Thanksgiving luncheon Thursday, with Mrs. Reeta Tucker and Mrs. Earl Burtz serving as co-hostesses.

Present for the luncheon were 17 members of the class from First Baptist Church.

An arrangement of fall flowers formed the centerpiece on a serving table laid with a white lace cloth.

Mrs. T. B. Cox gave a devotional from the First Psalm, and Mrs. Ed Weeks, president, conducted a brief business meeting.

Those attending were Mesdames Earl Davis, H. M. Stokes, Tom Gooch, Claude Boatman, Dudley Moore Sr., W.R. Crow, Elmer Marshall, Carl Hair, Leonard Winters, Lee Allen, Carl Hartman, Reynolds, Tucker, Burtz, Weeks, and Cox, and Miss Ona Mae McMurray.

Top winners of the raffle include D.D. Burt of Canyon who was awarded \$175; Carl Hartman, Joe Wieck, and Carl Frishe who won tires; and Miss Juanita Silva of Amarillo who won two items.

Also, Ralph Bagby, W.V. McAlpin, Leonard Baten-

### M-I-L Club Marks Holiday

The annual Thanksgiving luncheon for the Palo Duro Mother-in-Law Club was held in the home of Mrs. Nell Sheets Friday. Mrs. Leonard Winters was co-hostess.

After turkey and its accompaniments, the group answered roll call with "I like America Because..." Mrs. J. C. McClendon gave a Thanksgiving devotional, and Mrs. Fred Marshall, a Thanksgiving story. Most of the members joined in naming Pilgrims and telling something about them.

The club had two guests, Mrs. G. A. Colling and Mrs. J. Lee Allen. Members present were Mesdames Paul Rogers, Jeannette Robbins, Alice Black, Arthur Olson, Rae Walters, Frances Northcutt, W. R. Crawford, J. P. Hammons, Mae Johnson, J. L. Hilgenfeld, Gladys Haines, H.E. Campfield, McClendon, Marshall, and the hostesses.

Want to write a best seller? Place a want ad in The Canyon News then answer your phone. Call 655-2141.

horst, Tim Adams, Jerry Hinchcliffe, of Earth, Elizabeth Westhoff and Mrs. W.U. Adams of Oklahoma. The Bazaar winners were Mrs. Lewis Tucek of Canyon, Mrs. Willie Wieck, and Wilbur Moore of Hereford.

Of the 24 men who attended the Water Inc. meeting in Canyon Tuesday night, 10 were from the Umbarger community. They were told by Tom Williams of Water Inc. how interested persons could organize a Randall County unit. One hundred paid members within the county would insure a seat on the board of directors. Purpose of Water Inc. is to see that every citizen is aware and concerned about dwindling water supplies. The organization is working through private and governmental organizations toward a supplemental water import program.

Mr. Williams told the group that Rep. George Mahon of Lubbock is a key figure in maintaining support through Congress since he is chairman of the appropriations committee. He said that studies of the Bureau of Reclamation and the Corps of Engineers are being used. Plans now are to import water from south of New Orleans to the Texas Panhandle and portions of New Mexico.

Greetings to Mrs. Vincent Meyer, Sr. who is convalescing at home after a three-week stay in the Hereford hospital.

# Miss Kinsey Married To Ricky Richardson

Miss Debbie Faye Kinsey and Ricky Duane Richardson were united in marriage in a double-ring ceremony Friday evening at Bell Avenue Baptist Church.

Rev. Jack Boyett, the pastor, read the service before an altar adorned with baskets of gladioli and greenery and flanked by candelabra.

The bride is the daughter of Mr. and Mrs. Marion B. Kinsey of Bushland. The parents of the groom are Mr. and Mrs. R.B. Richardson, 2903 Conner Dr.

Mrs. Jody Richardson provided a medley of organ music and accompanied Miss Armetha Lindley, who sang "We've Only Just Begun" and "More."

Miss Carolyn Sloan registered the guests.

The bridesmaids were

Miss Beverly Kinsey, cousin of the bride, Miss Marian Williams and Miss Kathryn Snider. The three wore dresses of lemon satin with net sleeves and matching head-dresses of yellow roses. Miss Kay Lynn Wells, cousin of the bride, was flower girl. Her dress matched that of the bridesmaids.

Miss Connie Kinsey, the bride's sister, was maid of honor. Her dress was blue and styled like that of the other attendants.

Jeffrey Richardson, the bridegroom's nephew, was ringbearer.

Mike Cook of Amarillo was best man. Groomsmen were Jody Richardson of Stratford and Jerry Richardson of Atlanta, Ga., both brothers of the groom, and Dennis Powers.

Chris Olsen and Ronnie Burnette were ushers.

The bride, given in marriage by her father, wore a floor-length gown of Chantilly lace over taffeta, designed with a high neckline, full skirt, and long Camelot sleeves.

A ruffle at the neckline extended to the waist at the front of the gown. The full back ended in a chapel-length train. Her veil of imported illusion fell from a coif and she carried a cascade of feathered chrysanthemums and pale yellow cymbidiums centered with two white orchids.

A reception in Fellowship Hall followed the ceremony.

After a short wedding trip the couple will be at home at 2711A Duncan in Amarillo.

The bride is a graduate of Amarillo High School. Richardson is a graduate of Canyon High School now serving in the United States Navy.

Winners in the Little Miss Canyon Pageant Saturday were Kara Pruett, Littlest Miss Canyon; Misty Vars, runner-up; Markaye Henderson, Little Miss Canyon, Angela Landram, runner-up; Kim Landram, Junior Miss Canyon; and Tawny Henderson, runner-up.

## Society News

### Betrothal Told For Miss Harris

The engagement and approaching marriage of Miss Amelia Harris of Gainesville to Herbert Edes have been announced.

The ceremony is to be read at 7:30 p.m. Nov. 25 in the chapel of the Gainesville State School for Girls. The bride-to-be is a teacher at the school.

Mrs. Tommie Harris of Edes is the son of Mr. and Mrs. Carl Edes of Chapman Road.

The prospective bridegroom is employed at Skaggs-Albertson's in Farmers Branch.

The couple will live in Gainesville following their marriage.

Artists who won places in the conservation poster competition sponsored by the Canyon Study Club are Robin Waide, D'Lynn Mitchusson, Jana Beth Cranmer, Laura Jokerst, Celia Cotton, and Mayla Vars (l. to r.).

## Sisters Are Title Winners

Beauty queens in the Little Miss Canyon Pageant at Canyon Junior High School Auditorium Saturday night included two sets of sisters.

Junior Miss Canyon crowned by Mayor J. Manly

Bryan was Kim Landram, 11, the daughter of Mr. and Mrs. Frank Landram. Her sister Angela, 8, was runner-up for the Little Miss Canyon title, for which girls from 6 to 8 competed.

Markaye Henderson, 7, the daughter of Mr. and Mrs. Durwood Henderson, was named Little Miss Canyon. Her sister, Tawny, 11, was runner-up in the 9 to 12 age group.

Kara Pruett, 4, the daughter of Mr. and Mrs. Richard Pruett was named Littlest Miss Canyon. Misty Vars, 5, the daughter of Mr. and

Mrs. Don Max Vars, was runner-up.

Winners received their crowns, nosegays, and \$50 U.S. Savings Bonds. Runners-up received charms on bracelets and \$25 bonds.

County Judge Woody Pond was master of ceremonies on a stage decorated in a circus theme. Helium-filled balloons formed a background for circus wagons and animals.

The Seventh Grade Girls Choir sang.

The pageant was sponsored by Xi Kappa Zeta Chapter of Beta Sigma Phi. Proceeds will pay for furniture for the Canyon Girl Scout House.

## Scouts Show Posters

Robin Waide and Jana Beth Cranmer won first place ribbons and \$5 awards in the Conservation Poster Contest sponsored by the Canyon Study Club. The posters were on display Sunday at the Girl Scout House during Canyon's annual Juliet Low tea.

Robin's prize was in the fourth-to-sixth grade division. Laura Jokerst received a second-place ribbon and D'Lynn Mitchusson, a third-place ribbon in that group.

Jana Beth's first prize in the second-and-third grade division was followed by a second for Celia Cotton and a third for Mayla Vars.

The posters dealt with water or air pollution or with litter.

## Mrs. Begert Is Honoree

Mrs. Bob Begert was honored with a miscellaneous shower Nov. 6 in the home of Mrs. Wesley Cox, 2508 Fifth Ave.

Mrs. Begert is the former Miss Deborah Ann Lowman.

Hostesses assisting Mrs. Cox were Mesdames Ed Bourn, Kenneth Erwin, Frank Cornett, Larry E. Holman, A.R. Friemel, Henry Wiggins, Noble Brown, Battle Harris, Benny Leopold, and Hampton Lisle.

## Shower Honors Bride-To-Be

A miscellaneous bridal shower honored Miss Sandra Michael Saturday evening in the home of Mrs. Wayland Angel.

She is the bride-elect of Larry Swafford of Liberal, Kan.

Guests were received by the honoree, her mother, Mrs. E.A. Michael, the mother of the prospective bridegroom, Mrs. Benita Thomas of Liberal, and Mrs. Angel.

Mrs. Joe Cullender of Canadian, the bride's sister, and Mrs. Meade Michael, her sister-in-law, presided at a table covered with ecru linen and centered with an arrangement of burgandy and gold chrysanthemums and gold candles. The table appointments were silver.

Miss Pam Jolly registered the guests.

The honoree's gifts included a sterling silver tray which was given to her parents at the time of their own marriage.

Hostesses who assisted Mrs. Angel were Mesdames Brad Castleman, Forrest Gruner, Crews Henry, Marion Higdon, Louis Hinders, James Jennings, Sam Jolly, B.E. McCormick, Luke Miller, W.A. Miller, Lee Roy Moreland, Emil Olson, H.D. Prichard, Marshall Rockwell, Jr., and Ralph Ruthart.

## Daughter Born

Mr. and Mrs. Asa Hickman of Texas City are parents of a daughter, Dana Renee, born Nov. 3 and weighing 8 pounds 14 ounces. She has a four-year-old brother, Cody Wayne.

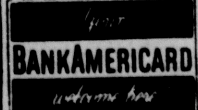

Grandparents are Mr. and Mrs. Melvin T. Dunn of Canyon and Mr. and Mrs. Bill Campbell of Leesville, La. Great-grandmothers are Mrs. Lida Yarbrough of Canyon and Mrs. Clara Campbell of Anderson, S. Carolina.
